Embracing culture

TRIBUNE PHOTOS BY HALEY CVAR

Monday was a beautiful day to celebrate and honour Métis culture, history and identity at Quarry Park Heritage Arts Centre. Louis Riel Day celebrates the founder and First Premier of Manitoba, father of Confederation, and visionary leader of the Red River Métis. The February long weekend offers Manitobans an opportunity to celebrate and discover Louis Riel's legacy, participating in Métis traditions such as beading, jigging, and more. Louis Riel Day events allow all Manitobans to embrace our distinct culture and heritage, while also recognizing the leadership Riel demonstrated in the establishment of our province and his undeniable role in furthering both French and Indigenous rights.

We are here to make a difficult time easier for your family.

Two in the running for a seat on Teulon's town council

By Lana Meier

Teulon's byelection set for March 6 has two candidates in the running for the council seat.

Former mayor of Teulon, Bert Campbell, and entrepreneur Glenn Kletke are running for the position vacated by Ted Hodgkinson, who passed away late last year.

Bert Campbell has been a resident of Teulon virtually all his life.

He has been involved in the trucking industry for 55 years but recently retired from long haul trucking in November of 2022.

In 1998 Campbell became a councillor for the Town of Teulon and in 2002 he was elected Mayor and continued until the fall of 2018.

Campbell is no stranger to the goings on in the community. Over the years he has been involved with the Veselka Ukrainian Dance, hockey, ringette and has co-chaired the Teulon International Truck and Tractor Pull for over 40 years.

While on council for 20 years, Campbell experienced a lot of growth from the purchase and expansion of Crescent Creek Park to attracting Vidir Machine to town and to assisting Feather Industries to get Northern Goose up and running once again.

"Many homes were built thanks in part to a building incentive we established," said Campbell.

There are a number of concerns that he would like to address if he is elected as councillor.

"I feel some of the concerns in Town are the lack of any sidewalks in the North East part of Town. Also the lack of RCMP presence in town. I know the fact that the office closed here is something out of local control but a little more presence of officers on patrol would be a good thing," said Campbell.

"Our health services took a big hit back in 2012 to 2015. We formed a Health Sustainability Committee in 2015 and with the cooperation of the IERHA and the Teulon Medical Clinic, a Primary Care Clinic was established. This clinic is being used as a model for the establishment of similar clinics in a number of communities to date. We believe it has made living in Teulon a lot more comfortable for many of our Residents."

Campbell is also concerned that business establishments in Teulon have become quite static in the last few years.

"I would have to do some serious lobbying to get a few restaurants in town but more so to encourage other businesses to move to town and to provide employment for some resi-

Bert Campbell

Glenn Kletke

dents right here in Teulon."

Recreation is vital to any small town and should be encouraged along with assisted living.

My plan is to work hard for the people of Teulon as I did for 20 years I was in office.

Glenn Kletke has lived in the Teulon area for 61 years and graduated from Teulon Collegiate before attending Red River College. His working career

played out just a few short miles south of town. As an entrepreneur, he grew and expanded the successful family business, Kletke Seed Farm. He was nominated in 2017 as a finalist in the Western Canada EY Entrepreneur of the Year Awards, which seeks ambitious entrepreneurs who are building a more equitable, sustainable and prosperous world for all.

Kletke doesn't look as

work as work, but looks at it as daily challenges to overcome and believes anything is possible with a good team of employees.

Kletke has since sold the family business, moved into town and is now ready for life's new challenges.

"I'm not ready to retire just yet. If elected for council I will make it my new mission," said Kletke.

Kletke has been out knocking on doors in the community, re introducing himself and finding out what the community is looking for in a councillor.

"What I am hearing from the community is: that activities for children are important, somewhere they can play and be safe; taxes vs services; more usage of Teulon's amenities; aging citizens would like walkways improved; list of current activities/ functions available, things like pickle ball in elementary school; public opinion is our town is stagnant and needs progress."

Kletke feels these issues will be a team effort, and if elected will help prioritize and complete one task, then move on to the next from start to finish.

Public hearing focuses on Stony Mountain development proposal

By Jennifer McFee

A Rockwood business will be driving forward with plans to sell recreational vehicles.

At the Feb. 14 council meeting, Rockwood council approved a conditional use request to operate the business at two adjacent properties located just east of Stonewall on Road 8 East and Provincial Trunk Highway 7.

The applicants had previously been selling recreational vehicles from the property without conditional use approval. The landowner applied for conditional use to authorize the sale of these RVs.

Council conditionally approved the request. Conditions include a limit of daily operational hours from 9 a.m. to 6 p.m., ensuring the premises are tidy and well-maintained, and obtaining any required permits, approvals or licences required by the provincial or federal governments. The applicant can display a maximum of three RVs at any one time in a designated display area. In addition, the applicant can store a maximum of 10 vehicles at any one time.

Council also approved a conditional use request from Parkdale Colony Holdings (Concord Colony Farms) to authorize the building of a 40,526-square-foot addition to an existing metal manufacturing development called KlarTech on a property at Provincial Road 220.

"KlarTech Inc. is an accessory manufacturing business located on Concord Colony Farms property. The applicant is proposing to expand the current manufacturing facility by doubling its current building footprint from 36,963 square feet to 77,500 square feet. According to the applicant, the existing manufacturing facility is a modern facility built with fabricated insulated concrete sandwich

TRIBUNE PHOTO BY JENNIFER MCFEE

Representatives from Mountain Ridge Park Development spoke to council about a proposed subdivision to create 34 residential lots in Stony Mountain, as well as a public road, public reserve and residual lot for future development.

panels and a steel truss roof that was completed in 2012," said Eric Shaw, general manager and development officer for South Interlake Planning District.

"The facility is located along the western edge of the Concord Colony Farms property, immediately east of PR 220. The proposed addition would utilize the same construction type (pre-cast concrete tilt up sandwich panel walls, concrete inside and outside with a layer of rigid insulation, and steel truss roof) as the current facility with upgrades to meet current energy codes. The building addition would be located on the north side of the existing facility."

The manufacturing site is located deep within Concord Colony, surrounded by farmland and vegetation. The nearest home on a separate land title is located about 2,625 feet to the north.

"The applicant states that the proposed addition would not adversely impact the surrounding development, including those on and adjacent to the

colony property," Shaw said.

"Specifically, no drainage, emissions, noise, traffic or dust impacts are anticipated."

The applicant must adhere to conditions that include obtaining all required permits from South Interlake Planning District, the RM of Rockwood and the provincial and federal governments. The principal use of the site must be an active agricultural operation, and no subdivision of the site will be permitted. Daily hours of operation will be limited to 8 a.m. to 5:30 p.m. on weekdays and 8 a.m. to 3 p.m. on Saturdays.

In addition, council approved a conditional use request for a 1,232-square-foot temporary mobile home on a property on Meridian Road east of the municipal boundary between the RMs of Rockwood and Woodlands.

The family has worked on this farm for generations and want to continue farming.

"According to the applicant, having

> ROCKWOOD, FROM PG. 4

a mobile home on the farmyard will provide added security during non-work hours and allow their grandfather to stay in his house longer without feeling the need to move off the farm to make room for the next generation. The applicant intends to reside in the proposed temporary mobile home, while their grandfather will continue to occupy the principal dwelling," Shaw said.

"The applicant believes there will be no environmental concerns with regards to smoke, emissions, noise, traffic, dust and vibrations, and that it will fit into the context of the surrounding area with minimal impact."

South Interlake Planning District had no significant concerns, and council conditionally approved the request.

A small crowd gathered in the RM of Rockwood council chambers for a public hearing related to Mountain

Ridge Park Development's proposed subdivision of a 22-acre property in Stony Mountain to create 34 residential lots as well as a public road, public reserve and a residual lot for future development.

The property is located in the southwest corner of Stony Mountain near Memorial Boulevard, Dufferin Drive and King Edward Road. Proposed lots 1 to 18 would have driveways on Memorial Boulevard or Dufferin Drive, while lots 19 to 24 would have driveways onto a proposed public cul-de-sac.

Council approved the request.

IN OTHER COUNCIL NEWS:

- The RM of Rockwood and the Town of Stonewall will jointly fund a new wildland unit for the Stonewall Rockwood Fire Department on a 50/50 basis. The total cost of the new Dodge Ram 3500 4WD crew truck from Gauthier Chrysler Dodge Jeep is \$75,268 plus tax.

- Council is requesting that the

Public Utilities Board approve the recovery of a \$31,602 operating deficit incurred in 2022 for the Gunton utility through the accumulated working capital surplus.

- Council authorized the purchase of a half-page advertisement in the induction program for the 2024 Manitoba Softball Hall of Fame and Museum for \$150.

- Council authorized Heidelberg Materials Ltd. to haul from their north approach on Road 7E to Road 78N. In addition, Heidelberg Materials Ltd. must provide written approval from Glacial Stone Inc. to use Road 7E between roads 78N and 79N.

- The Rural Municipality of Rockwood is inviting quotes for hourly rental rates of various types of equipment to establish pay rates for the 2024 construction and maintenance season. The deadline to submit a quotation package is Feb. 23. More information is available on the RM of Rockwood website at www.rockwood.ca.

with us > FAITH

From the Mountain to the Valley

And he was transfigured before them, and his clothes became dazzling white, such as no one on earth could bleach them. (Mark 9:2b-3)

For Peter, James and John, the time on the mountaintop with Jesus was a revelation. They had an unforgettable encounter with God that was so profound they were told by Jesus not even to speak of it until after his resurrection.

People of faith often speak of mountaintop experiences. These are times when our whole life, and our outlook on life, can be changed by a single experience or moment. I have had experiences when God has touched my spirit in an unforgettable way. I hope that you have too.

When we are on a mountaintop, we see life from a new perspective. As wonderful as it is to go up the mountain, we can't stay there forever. We have to return to the places where we live and work. The experience has changed us. We see the valley and the people who live there differently when we return. They haven't changed, but our ability to see what is around us, and the responsibility for doing something about it has changed.

As the song goes - What goes up, must come down. Our transfigurations aren't as dramatic as Jesus' or Elijah's experiences. Instead we're transfigured little by little. As the hymn goes - *Changed from glory into glory, till in heav'n we take our place.*

This week, as we begin our Lenten walk, it's a perfect season for us to share God's reflected light by doing something practical to change the world. We are called to fast from inaction. We are invited to find a Lenten project that will open eyes and hearts to the God who promises us the hope and new life of Easter morning.

And so, with hearts and hands ready, let's leave the mountaintop to travel to the people, creatures and places living in the valleys, ready to give them the good news that God's love and presence is coming near to them and is about to change their world. Have a busy, blessed, Lent.

Woodlands Rec Club CFRY talent night Feb. 24

By Jo-Anne Procter

Get ready to be entertained and support a great cause at the Woodlands Rec Club's upcoming fundraising talent night on Feb. 24. The rec club has teamed up with CFRY Radio to bring you an unforgettable evening of live performances from local talents, all in aid of upgrading the outdoor rink and rec centre facilities.

Tune in to 920AM CFRY Radio or

make your way down to the Woodlands Community Hall to be part of the action. Doors open at 6:30 p.m. and admission is only \$5. Live entertainment will start at 7 p.m. Refreshments will be available for purchase.

Rec Club executive member, Rene Kotelko told the *Tribune* that they are overwhelmed by the support from local businesses who have stepped up as sponsors for this event. Their gen-

erosity demonstrates their commitment to help enhance the recreational facilities.

Currently twelve talented contestants have registered, each eager for their chance at winning a cash prize. Performers that are set to entertain so far are: Shalene Varnes, Trey King, Sadie Norberg, Zack Voth, Yuli Simonson, Lina Simonson, Aaron Lavallee, Cameron Ducharme, Woodlands

Childcare, Trevor King, Paisley Fisher and Blake Tully and Lovella Bolun.

Anyone still interested in showcasing their talents or making advance pledges can contact Carly Howelko at woodlandreccentre@outlook.com or call 204-461-2588. To make a pledge during the show you can do so by calling 204-872-0394 and your contributions will go directly towards improving the local rec club.

> TEULON TOWN COUNCIL, FROM PG. 3

"I'm willing to join the current council team and bring my life experience to the table. I will work hard to show the people that yes we are approachable and willing to take the time to listen with the intent to make the changes that people are asking for, and that starts by being a voice and showing results."

If Kletke is elected he will listen and understand what council has in motion already, what goals they have set and determine how he can bring value to the business model.

"It's been great taking the time to talk to the residents of Teulon again. I have heard what you have said, now come election day, let's see if you want this workaholic, to work for you," said Kletke.

Voting will take place March 6 between 8 a.m. and 8 p.m. at the Teulon Rockwood Centennial Centre, 14 Main St., Teulon. Government-issued photo ID may be required.

Advance voting for those who qualify to vote but have reason to believe they will be absent can vote on Feb. 24

between 8 a.m. and 8 p.m. at the Teulon Civic Centre, 44 Fourth Ave. SE.

A mobile voting station for those who reside in a health care facility, and are qualified to vote, will be able to vote at the Teulon-Hunter Memorial Hospital on March 6 between 10

a.m. and noon or Goodwin Lodge from 1 to 3 p.m.

Sealed ballots are available for a voter who is unable to go in person on voting day or in advance. Apply to the Town of Teulon for a sealed vote between Feb. 6 and March 1.

Olympic-themed fun at Stonewall library

By Jennifer McFee

Stonewall library is embracing the Olympic spirit throughout February for I Love to Read Month.

Branch librarian Joan Ransom said their theme this year is "Be a Gold Medal Read-er."

"We have Olympic fever! Our branch is decorated with multiple sets of Olympic rings (made out of hula hoops), large informational posters about the summer and winter Olympics, a giant gold medal hanging from the ceiling — and we have even made a huge Olympic torch with realistic looking fake flames power by a fan,"

she said.

"We have a 'guess the number of Olympic rings' contest where kids can guess the number of lifesavers in a jar. The person who guesses closest will win the jar and some books. We have a draw for adults as well — they can enter to win a collection of novels, all of which have a book or library theme."

The fun continues at the local library with an Olympic sports scavenger hunt and an Olympic-themed colouring station.

"We are so happy to have partnered with our friends at Something Beau-

TRIBUNE PHOTOS SUBMITTED

Library staff members Tara Glaspey, Joan Ransom, Melanie Keppler and Kelsey Dingwall get in the Olympic spirit for I Love to Read Month.

Something Beautiful Café has donated 50 treats for readers. Left to right: Nic Gower, Darrell Dempster, Lauricia Neale, Kayla Bodnarek and Gary Lawson.

tiful Café as they have generously donated 50 treats for readers. The staff there have baked, packaged and tagged tasty cookies for lucky readers. We have hidden 50 gold medal coupons in books around the library, and readers who find one and sign the title out can redeem the coupon at Something Beautiful for a sweet treat," Ransom said.

"We are so thankful for their community participation in this I Love to Read activity, and we know how much our readers love having a treat for being great 'gold medal' readers. We invite everyone to stop by the library for some Olympic fun."

The difference dental implants made for Lynne

BY ELISHA VANDOR

"I'll be able to eat again" exclaimed Lynne as she felt her lower denture snap into 3 lower dental implants for the first time; "oh, and they're so natural-looking too!" With built up emotion, Lynne hugged and thanked Denturist Brock saying, "it was worth it".

We wish you could hear the SNAP as Lynne pushed down on her lower denture securing it into her three dental implants like snapping together a button tightly. For us, it's the successful sound of a tight-fitting lower denture, but for Lynne it's the sound of freedom. Freedom from struggling with a loose lower denture. She says, "to go from not being able to eat anything but soup and yogurt, being embarrassed and holding up my hand in front of my mouth to now being able to eat normally again and smile at people, it's been an excellent, excellent experience and I would suggest having it done to anybody." So, the big question ev-

everyone wants to know is, what is the dental implant procedure like? Lynne says, "I was petrified. I wasn't sure if it was going to work properly. Now, feeling the way they fit properly and being able to take them in and out, it's been worth it. If the person can afford it, then definitely get it, even if it's 2-3 posts like I was able to get done. It feels natural, it really does."

A dental implant should feel natural! After all, the purpose of the dental implant is the same as a tooth root - anchoring the teeth for chewing purposes. Without an anchor, the ship floats away... the same can be said for a lower denture (specifically). Trying to chew with force and accuracy with a lower denture will not be as successful without it being snapped into at least two dental implants. Natural teeth can bite using a substantial amount of force and mulch food with ease because of the teeth's stability being rooted into the jawbone. The difference with dental implants is an anchored denture providing greater chewing force,

accuracy, and stability. All three combined will provide you with the ability to successfully and easily eat with a denture. As Lynne so excitedly said to us that she's trying out steak for the first time in a while because she's now confident in her chewing again like she once was with natural teeth.

For Lynne, the total amount of time it took to have the denture snapping into the dental implants from the time of the procedure was 3.5 months. In contrast, some dental implant procedures allow for the teeth to be secured onto the dental implants the same day. The wait period or no waiting period is dependant on the procedure, which can be discussed with our Denturists Brock and Matthew. Our consultations are free of charge! As Lynne says, "I always felt like it was family working with me here, you were excellent that way. To know I can eat properly again and smile, it feels natural. You all have been excellent."

Two candidates running for Town of Teulon byelection

By Autumn Fehr

Teulon's byelection set for March 6 has two candidates in the running for the council seat.

Former mayor of Teulon, Bert Campbell, and seed farmer Glenn Kletke are running for the position vacated by Ted Hodgkinson, who passed away late last year.

The Municipal Councils and School Boards Elections Act gives authority to the senior election officer (SEO) to appoint an assistant SEO. Colleen Howelko was appointed as assistant SEO for the 2024 Town of Teulon municipal byelection, and the remuneration will be set at a flat rate of \$250.

In accordance with the municipal policy, the council authorized the compensation of \$250 to be paid to each full-time voting official and \$18 an hour to each part-time voting official, including mileage expenses (for any out-of-town workers), assisting the SEO with the 2024 Town of Teulon

Municipal By-Election.

The regular council meeting scheduled for April 9 has been moved to April 1 at 6 p.m. as council wishes to attend the 2024 AMM Spring Convention on April 9.

Council approved the following payments:

- Staff payroll dated Jan. 19 for \$14,004.27 and staff payroll dated Feb. 2 for \$13,503.51.

- Staff payroll dated Feb. 16 for \$13,322.55 approved for payment.

- Council indemnities dated Feb. 10 for \$1,490.52.

- The fire department's payroll, dated Feb. 15 for \$5,317.70

IN OTHER COUNCIL NEWS:

- Town of Teulon council authorized office staff and public works foreman to attend the virtual Manitoba Emergency Management Organization (EMO) workshop on February 26 at the Teulon Civic Centre.

-The staff reports presented at the Jan. 31 committee of the whole meeting were accepted and may be released to the public upon request.

- The town hired an independent contractor to cut the grass at 181 Third Ave SE, 55 Fifth Ave SE and 238 Fourth St SW as they were unkept. An invoice for \$75 was sent to the owner of each of these properties to reimburse the town, but it is now past due, and the town has yet to receive a response. Council agreed that \$75 be added to taxes on each roll number: roll #16450,34900, and 31140, pertaining to each property.

- Teulon received a one-time per capita infrastructure funding from the province. The province requires the town to set up a separate interest-bearing account for the funds. Council has decided to direct administration to open a new savings account under account #25172 at Access Credit Union and name it "Rural for council (\$2,980 fixed fee).

• Council is authorized to attend the CentrePort Canada executive partnership breakfast on Feb. 29.

• The CAO is authorized to attend the Canadian Association of Municipal Administrators Conference

Strategic Infrastructure Grant" and designate signing authorities for the account: Mayor Todd Campbell, Deputy Mayor Robin Nishibata, CAO Ka Shing (Chris) Yuen and assistant CAO Colleen Howelko.

- Council approved the CAO's overtime from Nov. 15 to Feb. 12 for 6.5 hours.

- Teulon will sponsor a horizontal quarter-page advertisement in the Interlake Travel Guide 2024 for \$400.

- Council gave the Teulon Curling Club "community event approval" for its 100th Centennial Committee Dinner and Dance on March in which liquor will be sold.

- Council awarded the 2024 Flower Tender to Whispering Oaks Greenhouse.

- Council approved the purchase of a video conferencing unit, sponsored by the Chamber of Commerce, to be installed in the board room of the Teulon Rockwood Centennial Centre.

in Banff on June 3 to 5. In addition, council and the CAO are authorized to attend the Federation of Canadian Municipalities conference in Calgary from June 6 to 9. Expenses will be paid.

Rosser council news in brief

By Jennifer McFee

• Rosser council approved the purchase of a 2024 CAT 160-15A AWD motor grader from Toromount CAT. The cost will be covered through a withdrawal from the equipment replacement reserve.

• Council gave second and third readings to a bylaw to regulate the construction and maintenance of encroachments. Reeve Ken Mulligan was absent from the vote, and the rest of council voted in favour of the resolution.

• Council gave second and

third readings to a bylaw to open a municipal road and rename certain roads within the municipality. Reeve Ken Mulligan was absent from the vote, and the rest of council voted in favour of the resolution.

• Council approved proposals from Way To Go Consulting for consulting services regarding a proposal for an organizational compensation review (\$10,070 fixed fee), a proposal for chief financial officer recruitment (variable fee up to \$7,000) and a proposal for the development and delivery of a growth impact presentation

Huminicki confident entering U21 provincial championships

By Jeremiah Knight

Elias Huminicki walked off the pebbled ice in Stonewall earlier this month chin-up despite his team coming up short in the biggest game of their young careers.

The youthful Jordon McDonald rink out of Assiniboine Memorial, for which Huminicki plays second, had become one of the best stories of the week after giving tournament-favourite Team Carruthers all they could handle in the semi-final of the Vitera Manitoba men's provincial curling championship.

McDonald, Huminicki, along with third Dallas Burgess and lead Cam Olafson, fell 10-7 to the eventual champions, skipped by former Olympic gold medallist Brad Jacobs, but were tied going into the deciding 10th end in a game that few gave them a chance to win.

"Coming from a junior team, it was honestly so special and I believe that we have a new voice for junior curling, considering we were up against the top dog that weekend," Huminicki reflected. "I didn't expect it to go as well as it did but we're very happy and very proud of ourselves for making it the way that we made it."

"All in all, it was just a win to even get the privilege to play Brad Jacobs in that semifinal game. It built our team so well after that weekend."

Indeed, the product of Winnipeg Beach is brimming with confidence heading into the U21 provincial cham-

Stonewall's Blake Good will be playing second for Team Norris this week at the U21 Junior Provincial Championships being held in Carman from Feb. 21-25.

pionship in Carman this weekend, where his squad will vie for a third-straight title. The championship, held at Carman Golf and Country Club, begins Wednesday and wraps up on Sunday.

Huminicki, 19, and McDonald are the two original members of the team that formed three years ago. While teammates have aged out of U21 eligibility, the team hasn't skipped a beat by adding Olafson and, this season, Burgess, who hails from Thunder Bay, Ont.

This season, Team McDonald has

primarily played in mens tournaments to condition themselves to higher competition. And the teens have held their own in many cases, such as a tied-for-third finish in the DEKALB Superspiel in Morris, in December.

"Even the events we haven't been winning, we're still playing great and we're still building off of each other. There's never really a point where you've been your greatest... there is no highest point, it's just growing as much as you can and wanting to grow," Huminicki said.

"I believe carrying that experience with us, it gives us a very good advantage (going into) U21 provincials. Obviously, we're not going to be cocky because anything can happen, but I'd say we're very comfortable going into the event for sure, and the expectations aren't high or anything but we just want to play our best in that event."

Huminicki won't be the only Interlake representative in Carman this weekend.

Stonewall's Blake Good will play second for Zach Norris' rink out of Morris, with lead Carter Malmquist and third Ethan Brandt. It's Good's first appearance in the U21 provincials, but his experience is hardly on his mind.

"I'm looking forward to it," said Good, 18. "We've played in the (Manitoba Junior Curling Tour) against

most of the teams that'll be there and we've had quite a bit of success. We're seeded third right now ... and out of all the bonspiels you play, this is the one you want to win."

Team Norris, which lost in the semi-final of the U18 provincial championship last year, has enjoyed a strong season highlighted by a win in the MJCT's event in Petersfield.

"We just play to our game and we play our role on the team. You have to play to your strengths and I think we do that pretty good," he said.

Good has continued that success for Stonewall Collegiate, where he skipped the Rams to the provincial championship game but fell 7-4 to the Bêliveau Barracudas. Despite falling short of the mark, Good said the experience of throwing high-pressure shots as the skip bodes well for him entering this week..

"I think so, just because you need to be so much more precise when you're throwing the last rock. If you pull up a foot short, it makes more of a difference and you have to be that little bit more on when you're throwing the last rock and skipping," Good said

"I understand now that I have to make my shots more accurate so I don't put so much pressure on my skip."

Manitoba has two seats available in the Canadian U21 Junior National Championship for junior men's and women's teams.

Balmoral Curling Club hosts men's bonspiel

TRIBUNE PHOTOS BY KYLE LOEHMER

The Balmoral Curling Club had its annual Men's Bonspiel from Feb. 16 to 18. The weekend was marked by spirited competition and good times for everyone involved. Team Arnal, consisting of Mark Arnal, Nathan Arnal, Gerry Arnal and Gary Fontaine won the A-Event, defeating John Good's team of Carter Ives, Trevor Good and Blake Good. In the B-Side match, Bryan Novak, Darrel Humeniuk, Travis Lawrence and Richard Tyerman from Team Lawrence emerged as the winners. Meanwhile, in the C-Side bracket, Gary Dodd, Blair Dodd, Adam Newcombe and Randy Newcombe of Team Dodd took home the victory. The club will be hosting its annual open bonspiel on March 1-2 and anyone interested in joining can reach out to Darrell via email at darrelargan@yahoo.ca.

Mercs sweep Notre Dame Hawks

By Brian Bowman

The Warren Mercs made quick work of the Notre Dame Hawks in their first-round SEMHL playoff series.

Warren swept Notre Dame 3-0 after a convincing 7-1 home win last Saturday.

Dexter Kuczek was, once again, a rock star scoring twice and adding two assists while Johnny Lazo added two goals and an assist.

The other Mercs' goals came from Patrick D'Amico, Riley Vautour and Darren Bestland.

Tyler VanDeynze scored for Notre Dame.

Mitch Adamyk made 20 saves for

the win.

Last Thursday, Warren hammered Notre Dame 7-3.

Brayden Macdonald notched a couple of goals while Wayde Johannesson also had a solid game with a goal and two helpers.

Kuczek chipped in with a goal and three assists. Michael Lazo, Kyle Luschinski and Kyle Lundale also tallied for the good guys.

Jeff Michiels, Vandeynze and Eli Carels replied for Notre Dame.

The second-round playoff series for the Mercs had not been announced by press time.

TRIBUNE PHOTO BY JO-ANNE PROCTER

The Mercs' Johnny Lazo gets a fit pump from Brock Couch after winning the first round of playoffs against Notre Dame. Lazo had two goals and an assist in the 7-1 win over Notre Dame last Saturday.

Jets, Canucks open up the offence

By Brian Bowman

The Stonewall Jets and the first-place St. James Jr. Canucks had a wild one on Sunday afternoon.

Defence was thrown out the window as St. James outslugged Stonewall 9-6.

Jets' goals were scored by Karson King (two), Cohen Cheung, Aiden Miller, Austin Manaire and Jack Derrett.

King, who has been very good this season, also had two assists.

St. James' goals were tallied by Brady Whitely (two), Rory Neill (two), Matthew Mason-Vandel, Kale Price, Caden Ostermann, Tyrone Willan and Paison Butler.

Last Thursday, the Jets were beaten 4-1 by the St. Boniface Riels in Stonewall.

Peyton Bateman scored a first-period goal for Stonewall while Ty McNaughton, Connor Davis, Nate Hinds and Jonah Crossland replied for the Riels.

Bateman is tied for fifth in league scoring with 61 points.

Stonewall will host the Pembina Valley Twisters this Friday (8 p.m.) and the St. Vital Jr. Victorias Sunday (2:30 p.m.).

The Jets are currently 16-17-4-1 and in ninth place in the 10-team league with 37 points. Stonewall has six regular-season games to play.

U18 AAA Lightning teams make playoffs

By Brian Bowman

The Interlake Lightning knocked off the Norman Northstars 5-2 in Manitoba U18 AAA Hockey League action on Sunday afternoon in Teulon.

Interlake has played some great hockey this season.

"It's been a positive year," said Lightning head coach Aaron Kaatz. "This team is competitive. They have been scoring and we have a little bit of grit and compete with us. We want to be competitive in the postseason and shock some people."

Last Wednesday, Interlake doubled the Thrashers 4-2 in Winnipeg. That win clinched a playoff spot for the Lightning - some say nine or 10 years.

"We're happy about that and so Teu-

lon, for a long time, will have playoff hockey in that barn," Kaatz said.

James Franklin and Ian Buors scored to give the Lightning a 2-0 first-period lead. After a scoreless second, Lucas Spencer and Cole Swanson made it 4-0 in the third.

The Thrashers' Ben Brambilla notched a pair of goals in the game's final minute.

Lightning goaltender Alex Myers played a strong game — making 38 saves - for the win.

The Lightning's goaltending this season has been outstanding.

Interlake are one of seven squads that have clinched a playoff spot.

Interlake will host the Thrashers on Wednesday and the Yellowhead

Chiefs Friday (both games start at 7:30 p.m.) before visiting the Winnipeg Bruins Sunday (12:30 p.m.).

In Manitoba U18 AAA Female Hockey League action, Interlake ended its regular season with a 3-0 road loss to the Eastman Selects last Saturday.

The Lightning had a fantastic regular season, finishing with a 10-14-4 record.

Cheyenne Scott Cooke (two) and Danyel Heppner scored for Eastman.

The two teams will meet up for a best-of-five playoff series, beginning Wednesday (7 p.m.) in Niverville.

Game 2 is set for Friday in Warren. Puck drop is 7:30 p.m. Sunday will see Interlake and Eastman return to Niverville for a 7:30 p.m.

Wildcats sweep Barons in WHSHL playoff hockey

By Brian Bowman

The Warren Collegiate Wildcats swept the Edward Schreyer Barons 2-0 in a best-of-three series in Winnipeg High School Hockey League Price Division playoff action.

Trailing in Game 2, Warren stormed back with a pair of second-period goals and then popped four more in the third for a convincing 7-3 win last Wednesday at the SunGro Centre in Winnipeg.

Warren had great offensive games

from several players — Colton Bruce (three goals, assist), Owen Shymko (two goals, two assists), Dylan Riddell (goal, two assists) and Quinn McKnight (four assists).

Carter Olson also got into the action with a goal.

Crosby Liske (two) and Vaughn Senebald replied for the Barons.

Dallas Shaver earned the win in goal.

Warren's next playoff opponent was not known at press time

The Wildcats began the best-of-three series with a solid 3-1 home win on Feb. 13.

McKnight scored the lone goal in the opening frame and then Bruce and McKnight tallied in the second.

Hunter Minchin replied with a second-period goal for the Barons.

Ethan Corbett and Ethan Shymko each had two assists for Warren.

Shaver posted the win in goal.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

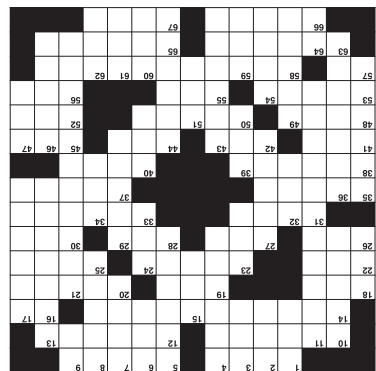

Level: Intermediate

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Deadline for applications: 4:00 PM on March 8th, 2024

A complete job description can be obtained by email at ashleym@stonewall.ca

The Town of Stonewall thanks all applicants, however only candidates selected for interview will be contacted.

NOTES:

- A Pre-Placement Employee Security Check consisting of a Criminal Record Check and a Child Abuse Registry and Vulnerable Sector Check shall be required for all persons that receive a conditional offer of employment from the Town of Stonewall prior to the start of their employment.
- A Post Job Offer / Pre-Placement Physical Exam shall be required for all temporary full and part-time employees within the Works & Operations Department and Parks and Arena Department in the Town of Stonewall.
- The Town of Stonewall embraces a diverse workplace. All applicants will be considered for employment without attention to race, gender, religion, color, national origin, sexual orientation, age, disability or veteran status. All employees of the Town are responsible for maintaining a work culture free from discrimination and harassment by treating others with kindness and respect.

NOTICE OF APPLICATION RURAL MUNICIPALITY OF ROCKWOOD REVISED WATER AND WASTEWATER RATES BALMORAL WATER AND WASTEWATER UTILITY

January 30, 2024

The Rural Municipality of Rockwood (RM) has applied to the Public Utilities Board (Board) for revised water and wastewater rates for the Balmoral Water and Wastewater Utility (Utility) as set out in By-Law #15/23, read the first time on September 13, 2023. Rates were last approved in 2012 in Board Order No. 101/12, with current rates coming into effect January 1, 2014.

The current and proposed rates are as follows:

	Current Rates		Proposed Rates		
	Board Order 101/12	By-Law 15/23 Year 1	By-Law 15/23 Year 2	By-Law 15/23 Year 3	By-Law 15/23 Year 3
Quarterly Service Charge	\$ 15.95	\$ 21.00	\$ 22.00	\$ 22.50	\$ 22.50
Water (per cubic meter)	\$ 1.05	\$ 2.00	\$ 2.50	\$ 3.50	\$ 3.50
Wastewater (per cubic meter)	\$ 1.90	\$ 2.75	\$ 3.25	\$ 4.25	\$ 4.25
Minimum Quarterly Charge*	\$ 60.20	\$ 92.25	\$ 108.25	\$ 138.75	\$ 138.75
Deficit Rate Rider**	\$ 1.11	\$ 1.11	\$ 1.11	\$ -	\$ -
Minimum Quarterly Charge with Rate Rider*	\$ 78.85	\$ 108.90	\$ 124.90	\$ 138.75	\$ 138.75
Bulk Water Sales***	\$ 3.15	\$ 3.24	\$ 3.45	\$ 3.94	\$ 3.94
Disconnection/Reconnection Fee	\$ 50.00	\$ 100.00	\$ 100.00	\$ 100.00	\$ 100.00
Hydrant Fee	\$ 150.00	\$ 200.00	\$ 200.00	\$ 200.00	\$ 200.00
Hourly Call Back Rate	\$ -	\$ 125.00	\$ 125.00	\$ 125.00	\$ 125.00

*Based on 15 cubic meters

**Approved in Board Order No. 186/19 to be recovered over 5 years beginning January 1, 2020.

***Current Rate - Bulk Water Rate plus \$50.00 per fill, Proposed Rate - Bulk Water Rate plus \$100.00 per fill.

Details of the RM's application are available for review at the RM's office or the Board's office. Any questions concerning the application for revised rates, or the operation of the Utility, should be sent directly to the RM.

If you have concerns/comments regarding the RM's application for water and wastewater rates please go to www.pubmanitoba.ca and provide your comment. Please note all comments will be forwarded to the RM.

Questions or comments should be sent on or before **March 15, 2024.**

The Public Utilities Board is the provincial regulatory agency that reviews and approves rates for water and wastewater utilities in Manitoba, with the exception of the City of Winnipeg. The Board's review process involves:

- the Utility filing a rate application to the Board,
- a public notification of proposed rate changes,
- the Board's review of the application through a public hearing or paper review process, and
- the issuance of an Order which outlines the Board's decision on the rate application and the rates to be charged.

The Manitoba Ombudsman has privacy guidelines for administrative tribunals. The Board is mindful of its obligations under those guidelines. Its decisions in respect of the application being considered will be sensitive to the guidelines. Personal information will not be disclosed unless it is appropriate and necessary to do so. However, the Board advises participants that these proceedings are public and that as a result, personal information protections are reduced.

The Board will then decide whether any further notice is required and whether to proceed with a public hearing or paper review process. All concerns received by the Board will be considered in the Board's decision on rates to be charged.

PLEASE BE ADVISED THAT IN CONSIDERING THIS APPLICATION, THE PUBLIC UTILITIES BOARD MAY OR MAY NOT FIND IT NECESSARY TO DETERMINE RATES DIFFERENT FROM THOSE APPLIED FOR BY THE APPLICANT.

Note: All proceedings will be conducted in accordance with the Board's Rules of Practice and Procedure, which the Board may vary in order to constrain regulatory costs. The Rules are available at www.pubmanitoba.ca.

IN MEMORIAM

Larry McMahon
November 01, 1961 - February 25, 2023

May the winds of love blow softly,
And whisper so you can hear;
We'll forever love and miss you,
And wish that you were here.
For all that life has given us,
And all that's left to do;
We'll know no greater treasure,
Than the days we had with you.

-Lovingly remembered by
Mom and Dad,
brothers Tim, Randy and families

IN MEMORIAM

Colleen Oughton (Ritchie)
June 18, 1953 - February 28, 2019

You will always be missed, loved and remembered

Our dearest mother, friend and wife!
-Love,
Al, family and friends

IN MEMORIAM

Faye MacMillan (nee Windsor)
October 28, 1948 - February 26, 2014

If roses grow in heaven,
Lord please pick a bunch for me,
Place them in my Mother's arms
And tell her they're from me.
Tell her I love and miss her,
And when she turns to smile,
Place a kiss upon her cheek
And hold her for awhile.
Because remembering her is easy,
I do it every day,
But there's an ache within my heart
That will never go away.

-Missed and cherished,
Sonny
Tammy, Doug and Alana
Greg, Melissa, William, Jackson and Westley

THE RURAL MUNICIPALITY OF ARMSTRONG

EMPLOYMENT OPPORTUNITY

Meleb Waste Disposal Ground Operator

The Rural Municipality of Armstrong invites applications for the position of a permanent, part-time operator for the Meleb Waste Disposal Grounds.

Under the supervision of the Public Works Coordinator, the Disposal Grounds Operator operates the site in compliance with the Waste Disposal Ground Operating Permit, Municipal By-laws and policies, and applicable federal and provincial regulations.

MELEB WASTE DISPOSAL GROUNDS

	Summer Hours March 1 to October 31	Winter Hours November 1 to February 28
Tuesdays	9:00 AM to 1:00 PM	9:00 AM to 1:00 PM
Thursdays	4:00 PM to 8:00 PM	2:00 PM to 6:00 PM
Saturdays	10:00 AM to 6:00 PM	9:00 AM to 5:00 PM

The operator will be required to take the Manitoba Landfill Operator Certification Program and be responsible for various recycling programs.

Deadline to submit applications will be Friday, March 1, 2024. Posting will remain open until a suitable candidate is found. We appreciate your interest in the position, however, only those applicants chosen for an interview will be contacted. This position commences as soon as possible.

Interested candidates should submit a resume with three references to:

RM of Armstrong Office
1094 Highway 17 Inwood
P.O. Box 69, Inwood, MB ROC 1P0
Fax: 204-278-3437
Email: cao@rmofarmstrong.com

Teulon Golf and Country Club is currently seeking a Golf Course Superintendent or Assistant for the 2024 season

The rural 18 hole course stretches over 160 acres of lush treed fairways and greens and is located 35 minutes from the north perimeter on PTH #7.

- The successful applicant must possess:
- A Valid Manitoba Pesticide Applicators licence
 - Mechanical knowledge of turf equipment
 - Complete knowledge of irrigation systems
 - Certificate or diploma of turf management program
 - Must be a team leader, work independently and communicate well with staff
 - Strong leadership and organizational skills to organize and oversee operations and staff in the maintenance department

Duties to include:

- Oversee any staff training and safety programs
- Organize and maintain maintenance staff schedules and time sheets
- Scheduling for applications of fertilizers, pesticides, herbicides etc.
- Maintain and update all equipment and service records
- Must be able to report and communicate with Owners/ Management on a regular basis
- Maintain a clean and organized work environment inside and outside of buildings
- Oversee and assist with day to day routine golf course maintenance duties
- Work in tandem with the pro shop to ensure that activities are well planned and performed with no disruption to golfers

Please submit your resume by February 29th, 2024 via email GM.Teulongc@gmail.com

The position will be kept open until a suitable applicant is hired.

OBITUARY

Jean Winnifred Oatway (nee CRAIG)
20 December, 1919 - 13 February, 2024

Mom, Grandma, Great-Grandma Jean Winnifred Oatway (nee Craig) died peacefully on February 13, 2024 at Stonewall Hospital. Predeceased by her husband Jack in 2017, they are together once again to continue their marriage of 66 years.

Jean is survived by her children Kent (Luciel), Karen (Brian) Kolosky, Martin and Wayne. Grandchildren: Judith, (Rick) Lee (Melissa), Deirdre (Aurion), Derek (Jenna), Jordan (Brent), Martina, Jesse (Angela), Corey (Amanda) Jaye and Mackenzie (Dylan). Great-grandchildren: Sophia, Nathan, Payton, Parker, Avery, Jackson, Piper, Ella; Step grandchildren: Dana (Donna) Mason, Jacinta (Dale) Bear, Arnold, Wayne, Russ (Ginger) Mason, and their children and grandchildren; Karl Shew (USA), as well as special sister-in-law Marion Craig (BC), and many nieces and nephews.

Jean was the second youngest of 11 children born to Stuart and Janet Craig on December 20, 1919; growing up on a farm near Murray Park on Sturgeon Road, near Saskatchewan Avenue in Winnipeg.

Jean and Jack were married on November 3, 1951 and remained on his family homestead, where they raised their four children. She was active in the community, participating in the Lilyfield United Church where she was the organist for many years. She was a member of the UCW, WI, Foresters and 4-H. She supported her husband in his many community activities and was partner in running of the farm, having a large garden, cooking meals and sewing a lot of her own and her children's clothing, as well as creating quilts. Coming from a close knit family she created the same closeness in her own family. Jean was a kind and fun mother to her four children and there are many fond memories of her antics. Jean lived to the grand age of 104 with the last few months being especially tough on her and yet she never complained or felt sorry for herself. Up until her final stay in the hospital, her home was the family gathering place.

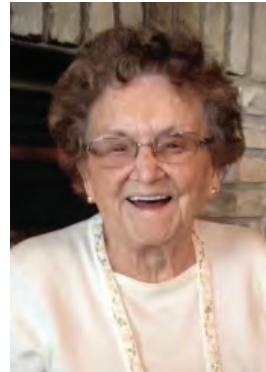

The family wishes to extend their thanks to the staff at Stonewall Hospital, Michelle Loehmer - Home Care Coordinator and staff. Special thanks to her private home care staff from JTRC Care Services Inc. and especially her angel Claire Caraan, who devoted so much dedicated love and care that she lavished on Mom in the last months at home. Special mention to Cherry, Hermie and Myrna.

A celebration of Jean Oatway's life will be held at Neil Bardal Funeral Home, 3030 Notre Dame Ave, Winnipeg, on Friday, February 23, 2024 at 11:00 a.m.

In lieu of flowers, donations may be made to Lilyfield United Church, P.O. Box 22-RR#2, Winnipeg, Manitoba, R3C 2E6.

"She was the matriarch of our family and will be deeply missed."
MacKenzie Funeral Home in care of funeral arrangements; Rev. Mona Denton officiating; Interment to follow after the service, at Lilyfield Cemetery.

OBITUARY

Martha Charison
November 24, 1925 - February 12, 2024

After a life well lived, Ellen Martha Charison passed away peacefully at her home in Teulon on February 12, 2024 at the age of 98. She was born on November 24, 1925 in Balmoral, Manitoba to Florence and George Smaldon.

She is survived by her daughters Linda (Bun) Baxter, Shelley Eros (Ron Branconnier), Candy (Herb) Laszchuk, Kathy Cockerill (Doug Bottrell), and son-in-law Frank Dziedzic. Grandchildren: Keith Baxter, Karl (Sapphira) Baxter, Dana (Walter) Stewart, Darci (Ken) Loehmer, Scott Eros, Dusty Laszchuk, Carmen Laszchuk, Aaron (Chelsea) Cockerill and Cherise Griffin. Great-grandchildren: Duncan, Desiree, Cameron, Dominic, Tiffany, Ella, Alexa, Harper, Hudson and Addison.

Preceding her in death were her husband Alex Charison in 1992; daughter Diane Dziedzic; sons-in-law Glenn Cockerill and Craig Eros; grandsons Bobby, Kory, Kyle and Kevin; siblings Howard, Billy, Edna, Bobby, Violet and Harold; lifelong friends Lillian Furness, Edna Tarrant and Shirley Jeske.

Martha lived life to the fullest, embodying a spirit of adventure and determination. She earned her pilot's license in 1980 at the age of 55, a testament to her adventurous nature. In her later years, Martha found joy in gardening, planting an impressive 1500 gladioli by herself at the age of 75.

She was supportive of the family's turkey business and was so proud when Alex and Stan were recognized as Farmer of the Year in 1990, a well-deserved honour for their dedication and hard work. She loved visiting customers with Alex, turkey conventions, delivering poults and hosting customers in their home.

Martha's adventurous spirit took her to far-flung destinations, with Switzerland in 1979 being just the beginning. Texas, Hawaii, Australia, and a fantastic world cruise with her sister Edna in 1994. She cherished her winter home in Deerfield Beach, Florida, where they enjoyed the sunshine and golf.

Martha embraced life with gusto, indulging in hobbies like bowling, golfing, fishing, and curling. She even installed an inground pool in 1973, despite not being able to swim herself, ensuring her children and countless others learned this essential skill. As a family they enjoyed many good fishing trips up to Dauphin River where they became very good friends with the camp owners family - the Letander's. She also loved visiting with her Hutterite friends.

Despite her many adventures, Martha's greatest joy was found in the simple moments spent with her family. She was a fixture at her grandchildren's games and concerts. One of her proudest moments was seeing her grandson Aaron golfing on TV for the first time.

Martha was able to live independently her entire 98 years. She knew she could count on "old faithful" every week to take her out for lunch and shopping. Known for her colorful language and feisty disposition, Martha had a knack for keeping those around her on their toes. Her quick wit and irreverent humor endeared her to all who knew her, leaving behind a legacy of joy and laughter.

Martha had an unwavering passion for animals and their well being. Donations in her memory can be made to Grateful Friends Animal Rescue, Box 999, Teulon, MB, R0C 3B0.

Celebration of life will be held on Thursday, February 29, 2024 at 11 am in the Gunton - Greenwood Community Hall.
