Three semis collide on highway

Staff

Three semis were involved in a highway collision last week that resulted in three tickets for one of the drivers.

On Wednesday, June 28 at about 11:20 a.m., Stonewall RCMP responded to a collision on Highway 7 at Highway 67.

A semi rear-ended a second semi, which then rear-ended a third semi.

The drivers of the first two semis were not injured. The 46-year-old driver of the third semi was taken to hospital for minor injuries.

The driver of the first semi, another 46-year-old man, was issued three tickets under the Highway Traffic Act for failing to produce a licence (\$113), driving carelessly (\$672) and failing

to produce an insurance certificate and registration (\$113).

So far this year, 64 people have died in motor vehicle collisions in Manitoba, including the 16 people who died in the collision on June 15. This is much higher than the 34 Manitobans who died on roads at this time last year and well above the current five-year average of 33.

RCMP Sgt. Paul Mainagre stressed the importance of driving sober, wearing a seatbelt, and slowing down and driving to conditions.

He offered advice for keeping safety top of mind while on the roads.

“Be cautious and always aware of your surroundings. Pay attention to the road at all times,” he said.

TRIBUNE PHOTO SUBMITTED

The driver of the first semi was issued three tickets under the Highway Traffic Act.

“Keep a safe distance between your vehicle and the vehicle ahead of you, and put your cellphone away.”

Two centres receive Child Care Sustainability Trust grant funding in Lakeside

Submitted by Ralph Eichler

MLA Ralph Eichler is pleased to announce two childcare centres in the Lakeside constituency have been approved through the Child Care Sustainability Trust.

Manitoba's PC government is providing a total of \$281,572 in grant funding to support 34

innovative projects to make facility improvements, enhance health and safety and support access and inclusivity at childcare facilities through the Child Care Sustainability Trust.

“I am thrilled that these funds will provide much-needed program support to so many local childcare facilities in the province and communities,” said Eichler. “Our government understands that access to quality childcare that meets the needs of families is more important than ever.”

Approved applicants for 2022-2023:

- Stonewall Children's Centre Inc.
- Stony Mountain Child Care Centre Co-op Inc.

The Child Care Sustainability Trust Grant Funding supports eligible licensed childcare facilities by providing one-time grant funding for projects directed at infrastructure improvements, program enhancements, equipment maintenance/replacement and professional development as well as learning opportunities.

This funding ensures that children are getting the quality care they deserve.

Town of Stonewall Tree Planting Initiative

As part of the Town of Stonewall's commitment to the maintenance of an extensive, healthy, diverse and expanding tree canopy in accordance with the Tree Planting Policy 11.3, seedlings are being provided to Town Residents at **no cost** with the signing of the Tree Care Commitment.

Visit the Town Office Monday-Friday 8:30 am-4:30 pm or on July 5th until 6:00 pm to complete the Tree Care Commitment and pick up your Claim Ticket prior to July 15th, 2023.

Stonewall library launches summer reading program July 1

TRIBUNE PHOTO SUBMITTED

South Interlake Regional Library's Stonewall staff kicked off their summer reading program July 1. Left to right: Clint Curle, Catherine Desmarais, Kelsey Dingwall, Stella McAuley and Joan Ransom.

By Teagan Sheppard

This summer, children can earn rewards for reading during a summer filled with barnyard adventures at the Stonewall Library during its "Growing Readers" themed summer reading program starting July 1.

The staff at the Stonewall library have been hard at work decorating the library with a big red barn and farm yard and are excited to launch the program.

When school lets out for the summer, children experience a summer slide. The Stonewall library has an amazing program to help children keep their skills sharp and have fun at the same time. In previous years, 310 children registered and read a whopping 4,270 hours.

To join in the fun, a parent must fill out a short registration form and will receive a log sheet and activity booklet.

"During July and August we 'pay' readers \$10 library dollars per hour they read or are read to. Our store is stocked with fun things to purchase, including books, toys, hockey cards, bracelets, freezies, coupons for Kiln ice cream and so much more," Stonewall branch librarian Joan Ransom said. "Readers will get one ticket for the grand prize draws for each reading log they complete. There is also the opportunity for 12 more draw

tickets by doing the reading activities in the booklet they receive at registration."

This program is very successful and grows each year when more children get involved.

"We are thankful for our sponsors, which include the Friends of the Library, Tracey Malone, Jim and Hazel Ridley, Archeena Hogg and The Kiln. Their support helps us so much," Ransom said.

The library is also offering many other outreach programs such as Storytime in the Park, PJs in the Park, Beach Storytime and Kids Unplugged, a program involving STEM activities that will not require the use of a screen.

For more information and registration for these fun-filled programs contact the Stonewall library (204-467-8415) or visit the Stonewall branch at 419 Main St.

Bryan Lefley Memorial Golf Tournament final tee-off after 25-year run

By Becca Myskiw

After 25 years, golfers supporting the Bryan Lefley Memorial Golf Tournament will tee off for one final time on July 7.

Bryan Lefley went to school within the division and grew up in Grosse Isle. He was a dedicated hockey player, learning to skate on local ice, playing his minor hockey in Winnipeg and Warren. He played three years with the Winnipeg Rangers and turned pro in 1969 and was on two CHL Champion teams in Omaha. The defenceman played 228 games in the NHL with seven goals, 29 assists and 36 points before going to Europe. In 1978, Bryan went to play hockey in Europe, and his playing career there developed into a coaching career that ended tragically in 1997 when he died in a car accident in Bolzano, Italy.

"He was a well thought of coach," said Bryan's brother, Chuck Lefley. "He was well-respected."

After Bryan's death, his wife, Marianne, wanted to start a scholarship in his name for students in the Interlake School Division (ISD), paying homage to his upbringing. They created the Bryan Lefley Memorial Scholarship, which was to give \$1,000 to three separate students in the school division each year. Since its start in 1998, the scholarship has granted out \$56,000.

"We thought about that and, well, now you need money," said Chuck. "So, we thought of putting on a golf tournament."

In 1998, the first Bryan Lefley Memorial Golf Tournament was held at the South Interlake Golf Course. That inaugural year, they had 198 golfers.

Since then, there's been around 175 golfers playing in the tournament annually. Eight years ago, the tournament moved to being hosted at Bel Acres Golf & Country Club, where 173 golfers will tee off for the last time ever.

Each year, the tournament raised a different sum of money, coming close to \$10,000 on more than one occasion. Chuck said the profit is dependent on that year's expenses, so as the years went on, it became more and more profitable. In its 25 years, the golf tournament has raised more than \$100,000 for the scholarship fund. The tournament has golf, of course, along with a huge silent auction of donated prizes, some other fundraising things, and a big dinner to end the day.

"The support has been phenomenal," said Chuck. "It's been incredibly well received every year."

The Bryan Lefley Memorial Fund now has enough money in it that the scholarship is guaranteed to carry on forever. It's in the hands of the Interlake Community Foundation. The amount of money each student receives will vary, depending on the interest generated in the fund as that's where the scholarship money comes from.

This year, three ISD students will receive \$1,400 each from the Brian Lefley Memorial Scholarship. South West Palliative Care will also get a donation of \$750 this year from the fund. The scholarship is for graduating students who are well-rounded, meaning they receive good grades, are involved in the community, play sports of some kind and are going to continue their

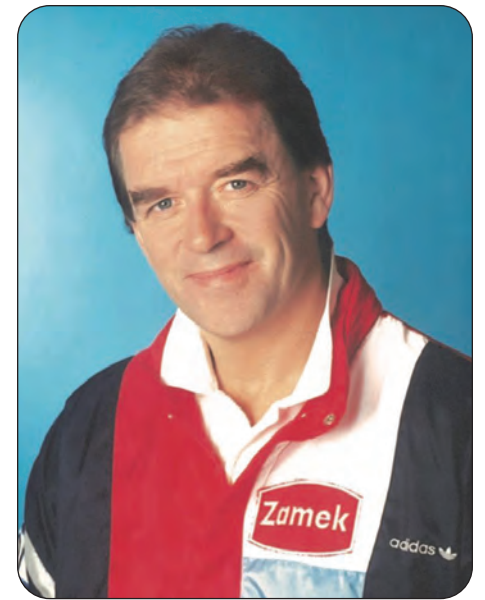

PHOTO SUBMITTED

education after high school.

Because the memorial fund is now guaranteed to support the scholarship for evermore, 2023 will be the last year for the golf tournament.

"We're sad it's got to end but all good things have to end eventually, don't they?" said Chuck.

The tournament was always more than a day affair for the Lefley family. As it was so big, people came from across the country to play in it and support it, so Chuck said they were always hosting people for over a week. Along with that, the event took endless time to organize each year, being a commitment for friends and family alike in support of Bryan. He's looking forward to having some more time in the summer now.

"The Interlake Community Foundation is now going to take good care of our money and good care of our kids," he said.

Stable Happiness

"Blessed is the [person] who walks not in the counsel of the wicked, nor sits in the seat of scoffers; but his delight is in the law of the LORD, and on his law he meditates day and night" (Psalm 1:1-2).

This summer, we are spending our Sunday mornings looking at the book of Psalms from the Bible. The text above is how the whole book begins. What is really interesting is that the word "blessed," as used in Psalm 1, could also be translated as "happy."

Unfortunately, many view Christianity as a religion that wants to stomp out happiness. People may picture monks spending many hours a day depriving themselves of anything that would bring pleasure or, maybe more likely, they picture Christians as people who constantly say no to things that would make them happy.

The reality, however, is very different from that. God actually wants His people to be happy, to experience deep and endless joy, but He wants to make sure that happiness is found in something stable; knowledge of and obedience to Him. People find momentary happiness in so many things: family, friends and careers, weekend parties, alcohol and drugs, sports, hobbies and entertainment. Yet each one of these is fleeting. People pass away, jobs are lost, substances take over and become addictive, injuries end our ability to do the things we love. Much of our happiness is found in things that are unstable, but God remains as a perfectly stable source of life-changing joy.

God desires our flourishing but, in His wisdom, He knows that the only place in which we will flourish is when we know and obey Him. If you are sensing the reality that the world cannot offer you the stable happiness you desire, you must turn to God, especially seeing what He has accomplished in Jesus Christ. By turning from your sin and putting your faith in Jesus Christ, God offers you Himself as a stable, perfect and infinite source of happiness in our broken world. You must turn to Him today, as this will be found nowhere else.

Daniel Bredin

Statement from Finance Minister Cliff Cullen on Tax Freedom Day

Submitted by Manitoba government

For the second consecutive year, the Fraser Institute has named Manitoba the No. 1 province for Tax Freedom Day, the day of the year when the average individual has earned enough money to pay their taxes. For 2023, Manitoba reached that day on June 6, ahead of all other provinces.

Whether it is filling up the gas tank, buying groceries or cooling a home, the purchases Manitobans make daily are becoming more expensive. As Manitobans continue to face a rising cost of living, providing historic help to make life more affordable for Manitobans remains of critical importance to the Manitoba government.

Introduced in Budget 2023, new and enhanced tax measures will bring Manitoba's personal income taxes in line with other provinces. The changes in personal income tax will allow families to keep more of their income and will attract interprovincial migration to grow the economy.

Incremental savings from all tax breaks, school tax rebates and affordability payments from 2022 to 2024 will total more than \$1.8 billion. That is more than \$5,500 for an average two-income family.

A reduction to Manitoba Hydro fees will have a favourable effect on electricity rates and save ratepayers \$190 this year and more than \$4 billion over the next 20 years. Manitoba Hydro's rate application to the Public Utilities Board is now only an increase of two per cent over each of

the next two years, compared to the proposed 3.5 per cent rate increase.

In addition, starting on July 1, Manitobans will see an increase in take-home pay on paycheques due to the largest ever enhancement to the basic person-

Canada Day celebrated in the Town of Teulon

TRIBUNE PHOTOS BY EMMA MCGILL

Residents of the Town of Teulon and surrounding area, along with family and friends, celebrated our country at Green Acres Park. Pictured top left, left to right: Zuri Cook, Alivia Robertson and Callia Cook posed in their festive gear for Teulon's Canada Day celebrations. Top middle: Bucky Press, a musician and instructor with the Green Acres Art Council (GAAC), preparing to perform. Top right: Patty King of Access Credit Union presented GAAC with a cheque for \$5,000. Bottom left: Cousins Billy Trach and Sophia Cestruk sang the national anthem for the crowd gathered around the stage in Green Acres park. Bottom middle: Teulon was the sixth stop of the day for MP James Bezan, who spoke to the crowd that gathered. Bottom right: the Country Pride Band played for a packed dance floor.

> TAX, FROM PG. 7

al amount to \$15,000. The savings to Manitoba taxpayers in 2023 will total \$311 million, with tax savings up to \$524 for individuals or up to \$1,048 for a two-income family compared to 2022.

In the last year, Manitoba's economy emerged faster and stronger than anyone could have anticipated. Over the last year, we have seen significant economic growth in our province and an influx of skilled immigration. We see tremendous opportunities ahead with continued improvement in our fiscal position as we work to create the right conditions for sustained economic growth.

Our government remains focused on maintaining a strong, sustainable fiscal foundation that will provide better services to all Manitobans. This includes investing in front-line services and lowering taxes to make life more affordable for Manitobans and more competitive for Manitoba businesses.

St. Laurent grads share in pride and joy

By Emma McGill

On a sunny Saturday, June 24, 14 graduates, also known as St. Laurent School's class of 2023, sat up on the stage in their gymnasium where they reminisced, were praised for all their hard work and said goodbye to high school.

Interim principal Bobby Ellis introduced the graduates individually, each walking down the centre of the gym, standing at the front and smiling with pride for their loved ones in the audience, then taking their seats and watching the rest of their peers have their moments.

Valedictorians Jullian Richardson and Emily Sigurdson presented their speeches one at a time. Richardson started first by speaking on behalf of his peers, thanking those who attended the ceremony and those who helped the class of 2023 along the way throughout high school and in general.

"We must flip the page to a new beginning, a beginning full of potential," said Richardson.

Sigurdson then followed with her speech.

"I joined St. Laurent school in Grade 7, and I've made so many memories at this school since then," she shared. "Today, we are standing on this stage together for the last time after seeing each other every day for the past four years."

She pointed out how much she and her classmates have changed and brought up memories that made everyone smile, including how they used to think the most important thing in the world was what they would wear to school that day, but they now had their whole lives ahead of them.

"I am so grateful to have attended this school and experienced having such a tight-knit class like this," said Sigurdson. "Wherever the world takes us, we will each find success in our own time and the right place."

Interim vice-principal Shane Buck also welcomed guests and expressed his pride for the graduates with personal praise for each of them.

"Good luck to you all in the future. Your journey to this point has been resolute and steadfast, and you've all done this together," said Buck. "We also have to send out a special thank you to all the people who have brought you here to this point, those you can trust and have helped you along the way."

Thanks went out to Marnie Stephenson, Lori Combot and all the staff and volunteers who worked hard to make a successful graduation for these students. Interim principal Ellis recognized the impact of the pandemic on the class of 2023's education and high school experience, which changed things for them significantly and

TRIBUNE PHOTOS BY EMMA MCGILL

Friends and family captured the St. Laurent School's graduating class of 2023 tossing their caps to celebrate the end of the ceremony and high school.

steadily for over two years.

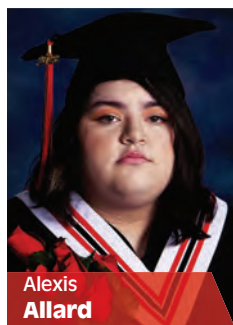

"The fact that they are all on stage up here right now with me is one example of their resilience and perseverance," stated Ellis. "All graduates today should be proud of both themselves and each other for achieving this point in their lives. Good luck in the next chapter of your lives. I am confident you will all succeed."

Stonewall grads embrace their future

By Jennifer McFee

Ceremony and celebration marked a milestone moment for Stonewall's graduating youth who are about to embark on the next step of their journey.

On Tuesday, June 27, friends and family gathered at the Veterans Memorial Sports Complex to share in the joy of the Collège Stonewall Collegiate's 112th graduating class.

Principal Jason Cassils congratulated the 127 students who earned their high school diploma. A range of diplomas showcased the different learning options available, including a mature student diploma, an individualized program diploma, a 30-credit English program diploma or a French immersion diploma.

Students with Métis citizenship also received a scholarship, T-shirt, sash and lawn sign from the Manitoba and Interlake Métis federations.

"You made it — 13 years in school and you are ready to move on to a new chapter in your lives. This is a big day for all of you, but it is also a big day for your family, friends and teachers waiting to see you have your moment in the spotlight," Cassils said.

"We are so proud of how far you have come, from that first day of kindergarten to crossing the stage today. Now that you have all made it here, make sure you enjoy every minute of this special day."

He encouraged the graduates to choose their own path, wherever it might lead them.

"Bottom line, whatever you choose to do, just be yourself and great things will happen. Just explore your passions and have fun along the way,"

TRIBUNE PHOTOS BY JENNIFER MCFEE

In total, 38 graduates earned an Interlake School Division gold medal of excellence.

Cassils said.

"Something you must also remember when you are accepting your diplomas and awards today: think of all the people that have helped you along the way and make sure that you thank these people."

Board chair Alan Campbell shared the vision of the Interlake School Division: to prepare today's learner for tomorrow. The school division's mission is to enable each student to realize their full potential as a contributing and responsible member of society.

"Today is about celebrating the culmination of our collective journey toward realizing that shared vision and mission — all of you from community and family, all of you from school staff, and all of us from the board of trustees and senior admin," Campbell said. "It is a team effort."

He noted that Interlake School Division has one of the highest graduation rates in the province.

"I will take this opportunity to thank

The ISD \$1,000 General Proficiency Award went to Hayden Turner.

the parents and guardians, family members, friends and divisional staff who have all contributed to the path that leads us here today," Campbell said.

"Most importantly, to the class of

2023, thank you for you being you. The promise and hope that you carry for the future as you leave here today is truly something that we are all so proud of.”

The 2023 graduating class is poised for a bright future. Of the 127 graduates, nearly one-third are finishing high school with a Grade 12 academic average of 90 per cent or higher. In total, 38 graduates earned an Interlake School Division gold medal of excellence for this impressive achieve-

ment. Many of the recipients earned gold excellence medals for maintaining this sky-high academic average throughout all four of their high school years.

In another highlight of the event, a group of talented graduates showcased their musical abilities through a special performance.

Cassils also took a moment to acknowledge the school’s stellar staff, including those who won’t be returning next year. He made a special pre-

sentation to administrative assistant Tricia Lamm, who is retiring after 31 years and has been instrumental in creating memorable graduation celebrations over the years.

Class valedictorians Matthew Meyers, Holly Cornwell and Max Van Heyst then shared memories and well wishes with fellow graduates, as well as a photo slide show of memorable moments over the years.

Caralyn Safiniuk received the Governor General's medal for achieving the highest academic average of all Grade 11 and 12 courses. Her overall average was 95.54 per cent, and she plans to pursue engineering at the University of Manitoba.

The Interlake School division's \$1,000 General Proficiency Award went to Hayden Turner, who plans to enter the physical education program at the University of Manitoba. This award acknowledges a well-rounded graduating student who is courteous, collaborative and performs at an above average academic level. Hayden graduated with a Grade 12 average of 94.17 per cent and was a valuable teammate on

the girls' basketball and badminton teams. She was also involved in organizing the recent Run for Ronald event.

To wrap up the ceremony, Cassils shared a few reflections on the graduates' high school experience.

"When you go back and look at your high school years and tell stories to family years from now, no one will believe what you have gone through. One of the biggest takeaways from the past four years has been how you adapted to everything that was thrown at you — manoeuvring your way through these difficult times and really not complaining too much," he said.

"Just doing what you had to in order to get your education and take care of your family and friends — very caring and unselfish. I just want to say thank you to all of you for doing your part to help us get through this crazy time of our lives. You should be very proud of yourselves. We are sure proud of you."

The graduates and their families wrapped up the celebrations with a banquet on Thursday at the Victoria Inn in Winnipeg, followed by Safe Grad festivities.

CSC had five sets of twins graduate this year.

Warren's class of 2023 embarks on their next chapter

By Jo-Anne Procter

On May 26, 41 graduates from Warren Collegiate collected their Grade 12 diplomas in front of family and friends at a ceremony held at the Warren Arena.

The class of 2023 started Grade 9 off like any other year. Life was good, routines were established and friendships were formed. Little did they know that an unforeseen force would disrupt their lives in ways they couldn't have imagined — COVID-19.

Principal Laura Perrella's address during the graduation ceremony was a reminder of resilience and strength graduates endured in the face of adversity. She acknowledged the impact that COVID had on the high school experience and the challenging times it posed. She emphasized that the graduates are capable of doing hard things — more than simply surviving through difficult circumstances.

"Throughout this journey, each one of you has found your own voice and learned how to advocate for yourselves," she said.

Her words resonated deep within graduates, reminding them that their opinions matter and the power of their voices should never be underestimated; they carry immense value and can contribute significantly in making the world a better place.

Interlake School Division (ISD) trustee Gord Greasley, with sincerity in his voice, thanked parents, caregivers, teachers and school staff for their unwavering dedication and hard work in shaping the graduates' lives.

"For the class of 2023, tomorrow has arrived," he said. "You have successfully completed 13 years of school. You are prepared to succeed. Your future lies ahead of you. It is an exciting time and can also be a scary time, but each of you will find your own path."

WCI's Fallon Campbell, with great honour, took the stage to introduce the graduates of Warren Collegiate Institute. As each name was called out, she highlighted their outstanding academic accomplishments, scholarships and awards. It was a moment of celebration for these exceptional individuals who had worked hard to reach this milestone.

ISD Assistant Supt. Tyler Moran and WCI's Cathy Ples-

Warren's Randy Emms crowd-surfing with fellow grads before the official ceremony.

Interlake School Division's Assistant Supt. Tyler Moran and WCI's Cathy Pleskach awarded the ISD Medals of Excellence. Left to right: Alyssa-Lynn Procter, Thomas Boonstra, Tessa Stewart, Ella Masszi, Michael Genio, Ivy Scott, Chloe Lange, Aliyah Allary and Katie Mair.

kach recognized nine exceptional students who were awarded the ISD Medal of Excellence. These students demonstrated remarkable dedication and achieved an average of 90 per cent or higher in six credits.

Among the recipients were Alyssa-Lynn Procter with an impressive average of 96.4 per cent. Thomas Boonstra, Tessa Stewart and Ella Masszi all achieved outstanding averages of 96 per cent, while Michael Genio maintained a 94.3 per cent. Ivy Scott's hard work paid off as well, earning her an average of 92.67 per cent and Chloe Lange, Aliyah Allary and Kaitlyn Mair maintained averages of 90.5 per cent.

One of the highlights of the Warren Collegiate Institute graduation ceremony was when Supt. Margaret Ward presented Michael Genio with the ISD General Proficiency Award. It was a well-deserved recognition for his outstanding contributions to the school community.

Genio's selection for this prestigious award was based on his exceptional character and dedication to being a respectful individual. Throughout his time at WCI, he consistently demonstrated respect not only for himself but also for his peers and teachers.

His commitment to creating a positive school

environment did not go unnoticed by the staff members who chose him as the recipient of this award. They recognized that Genio's actions and attitude were an inspiration to others, making him an ideal candidate.

Genio received a plaque and a cheque for \$1,000. The recognition serves as validation for all of his hard work and is a reminder of the importance of treating others with kindness and respect.

Genio was also the recipient of a new award, the WCI Alumni Scholarship Award, worth \$500. The scholarship has been created by the Class of 1970 who continue to have a reunion every five years, proving that high school friendships can be ever-lasting.

The Governor General's academic medal, a prestigious honour that recognizes academic excellence and outstanding achievement, was presented to Alyssa-Lynn Procter. Procter was a remarkable student and was deserving of this esteemed award for maintaining an exceptional average of 96.76 per cent throughout grades 11 and 12. With unwavering commitment and a thirst for knowledge, she has consistently demonstrated her intellectual prowess and deter-

mination to succeed. Her hard work and perseverance have paid off in the form of this well-deserved recognition.

Valedictorians Michael Genio and Ella Masszi were once told that high school would fly by. They didn't believe it until they stood on stage to address their peers. High school graduation is a milestone that students eagerly anticipate. For their class, due to COVID, it wasn't a typical high school experience.

When school was initially cancelled for two weeks, it felt like an extended vacation. Many students revelled in the freedom from homework and tests, embracing the temporary break from academic responsibilities.

Margaret Ward presented Michael Genio with the ISD General Proficiency Award.

However, as those weeks turned into months and school remained closed indefinitely, reality set in.

Continued from previous page

Sitting in front of a computer screen all day became tiresome, and following constantly changing rules proved challenging. They longed for normalcy — face-to-face interactions with friends and teachers, extracurricular activities, preparing for their futures.

Yet amidst these hardships emerged resilience. As classmates, they supported one another through both good times and bad, and in their Grade 12 year, they made up for lost time.

“The past three years have taught us invaluable life lessons,” Masszi said. “Starting today, we are unstoppable. Things get real, bills to pay, responsibilities and jobs. We are about to embark on a new adventure and, after today and for the rest of our lives, we will turn our can’ts into cans and our dreams into reality.”

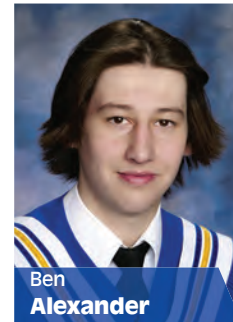

Vice-principal Tyler Oliver gave parting remarks to the exceptional individuals whom he said left a mark on WCI.

“Today marks the end of an era, the combination of your hard work, dedication and sacrifice you have conquered challenges, weathered storms and are stronger than ever before. You have overcome obstacles both seen and unseen,” he said.

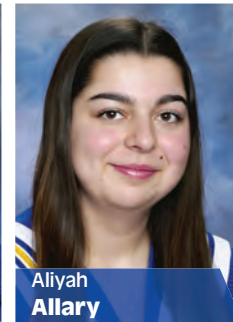

“As you embark on the next chapter of your lives, remember the invaluable lessons you have learned here. The world outside these walls are filled with endless possibilities. They are waiting for your presence and contributions. You are equipped with the knowledge and the resilience and determination to chase your dreams. Embrace in the challenges ahead as they are the stepping stones to your personal and professional growth. Do not fear failure, as it is through failure that we learn most profound lessons.”

Oliver urged graduates to never forget the values that have been instilled within them.

“Be kind, be humble and always strive for excellence. You carry with you the hopes and dreams of an entire community. You are future leaders, our visionaries and our change-makers. Embrace opportunities that come your way and never forget the journey that brought you here.”

TCI grads celebrate their futures and pasts

TCI's class of 2023 took their seats for one final time on June 23.

TRIBUNE PHOTOS BY JUDY CARROLL

By Emma McGill

The Teulon Collegiate Institute class of 2023's graduation ceremony took place on Thursday, June 23 in the school gymnasium, where family, friends and community members packed into rows to watch the 32 graduates walk down the red carpet and take their turns upon the stage.

Myles Blahut, who has been TCI principal for the past three years and is now retiring, looked proudly upon the class and prepared to send them off with these words:

"Even after 38 years in education, I still learn something from the students, and hopefully they learn from me, besides some bad jokes. This year is no exception."

He explained the number of things this class has taught him as he's gotten to know them at TCI, bringing back fond memories and lots of laughs.

Valedictorians Abigail Skinner, Sarah Simcoe and Desiree Chartrand delivering their speech.

Governor General's award recipient Hannah Spence and ISD Assistant Supt. Tyler Moran.

Senior girls curling champions won Team of the Year. Left to right: Rod Ledochowski, Hannah Spence, Mhea Reed, Sarah Simcoe, Jessica Shelest and Teagan Price.

ISD's General Proficiency Award was presented to Desiree Chartrand by Sally Cook.

Happy Graduation

Hats off to the hardworking Class of 2023!

We wish you continued success as you turn the page to an exciting new chapter. Good luck, and best wishes.

Municipality of Armstrong

Continued from previous page

“An interesting fact about the graduating class of 2023 is that 16 out of the 32 students graduating are either on the school honour roll or the principal’s honour roll,” shared Blahut.

He wrapped up his opening remarks with a line from Semisonic’s “Closing Time,” a fitting set of lyrics for the beginning of their journey into the wide world.

“Make the most of this door in your life that is closing, but another door in your life will be opening. All the best to you, the graduates, as you continue to open new doors in your life.”

Each graduate then had their tassels turned over and shook hands with Mr. Blahut and vice-principal Mr. Darragh when they got on the stage one by one to receive their diplomas. Many had a final word prepared, spoken for them by Mrs. Meier, filled with thanks for support from families and peers over the years, post-graduation plans like where they’re planning to work or attend university, and often a witty remark to keep such a momentous occasion light and fun.

Before this, however, the graduates, led by classmate Hannah Spence, took the opportunity to get up and make their way through the crowd to find their families and the people that mean the most to them to present them with roses as a sentiment of gratitude.

After they each received their diplomas and took their individual spotlights on the stage where they

heard about the awards they would be receiving for all of their hard work, more awards were presented.

Team of the Year was presented by Mr. Rod Ledochowski to the TCI curling team. They won zones and did very well at provincials and have overall represented their school very well over the years on the ice and in other sports. The team was made up of Mhea Reed, Hannah Spence, Sarah Simcoe, Jessica Shelest and Teagan Price.

Other sports awards were given to Desiree Chartrand for Student Coach of the Year, female reps sports leadership award, and the Varsity Girls Athlete of the Year Award, which was also awarded to Sarah Simcoe. The male reps sports leadership award was given to Logan Mott, and the Varsity Boys athlete of the year award to Mathew Dzuba. Maisey Williams received the Coach’s Award for varsity cross-country.

ISD’s General Proficiency Award was presented to Desiree Chartrand by Sally Cook and Alan Campbell, who gave a short speech in congratulations to the winner and her fellow graduates for their resilience and accomplishments. Cook and Campbell are both alumni of Teulon Collegiate.

The Governor General’s Bronze Medal Award, presented at this ceremony by Moran, was given to Hannah Spence. Margaret Ward, superintendent of the Interlake School Division, then presented the Medals of Excellence to Ohaira Abacan, Madison Brady, Desiree Chartrand, Kean

Sarb, Jessica Shelest, Sarah Simcoe and Hannah Spence.

This year’s valedictorians, Sarah Simcoe, Abigail Skinner and Desiree Chartrand, represented the thankfulness and passion of their classmates with a speech.

“Today marks the beginning of a new chapter in our lives as we are now high school graduates. We have all worked incredibly hard to get to this point. Our class has been through so much together,” they wrote and spoke on this joyful day. “It feels like just yesterday we were sitting on the stage at our Grade 6 graduation ceremony as our baby picture slideshow played across the screen. We are all grown up now. We grew up sharing endless laughter, creating countless memories and inside jokes within the walls of many different classrooms.”

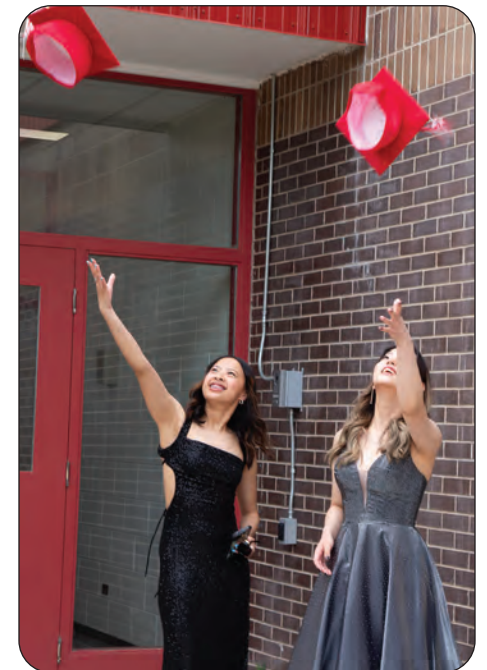

Also in their speech, the valedictori-

ans recall many fond memories with the class they’ve grown up with and now represent on the stage: “Playing grounders and sleepy bear at recess, Mme. Shinnies lotto bingo, roadkill on the swings, and when our grade got banned from every outdoor activity possible — and I mean literally everything: swings, soccer, man tracker, monkey bars and more. Let’s not forget when Mrs. Fenske thought the fire drill was a hold and secure and we almost burned alive, Ms. Budd’s obsession with putting a meme on every assignment or Mrs. McCrindle’s cafeteria cookies and the recipe she hides with her life.”

Though it felt like just yesterday for them that they were graduating from sixth grade at Teulon Elementary School, they’re ready to say farewell to the home of the saints and take on the world to make their dreams and aspirations come true.

The South Interlake Seniors Resource Council offers services for seniors and those with disabilities to help them to remain independent and safe in their homes and communities. With the help of volunteers and our fee for service workers, we provide these services to the town of Stonewall, the RM's of Rosser, Woodlands and the southern portion of Rockwood.

Supports to Seniors in Group Living (SSGL)

SSGL provides a range of free enhanced support services in group living/elderly persons housing buildings. These services will assist the residents in accomplishing their Instrumental Activities of Daily Living (IADL's) and provide them with the support to remain in their community and "age in place" If wanting any support services in group living/elderly persons housing building, please contact Sara @ 431 381 4002 or email @ ssglstonewall@shaw.ca

Volunteer Opportunities

Looking for something to do in your spare time? Or are you needing volunteer hours come the school year? Whatever the reason, volunteering with South Interlake Seniors Resource might just be for you! Feel free to give us a call at (204) 467-2719 for more information about the volunteer opportunities available! We look forward to adding you to our team of dedicated volunteers

Ryan Ritchie wins Quarry Run 5K with personal best time

Staff

The Inaugural JO Massage - Stonewall Quarry Run was a success in every way. Registration was 50 per cent higher than expected and all events ran without incident.

Local runners were well represented at the event, with Ryan Ritchie of Stonewall winning men's 5K with a personal best time of 18:43 and well ahead of the 5K field. Other notable runs came from Myles Willis of Complete Physiotherapy in Stonewall with a very impressive 41:45 in the 10K, holding off Matthew Nelson of Fisher River 42:47 and good enough for second place behind the fierce pace of David Snider from Winnipeg, who posted a course record time of 34:29 that will likely stand for a very long time.

Joanne Haas and Khadija Samoila of Winnipeg were first and second respectively for the 10K women with Stonewall's Bev Hidlebaugh rounding out the Top 3. While Ritchie dominated the men's 5K, Tracey Dixon posted a winning time of 22:24 in the women's 5K, 23 seconds ahead of the second place male Jamie Barnabe 22:47 of Grande Point, followed by Blaine Hintz 24:19 of Brandon who held off Andy Stoecklin, Jordan Booth and Tanner Booth of Stonewall, who were only about one minute back. Stella Buzinis of Headingley won second place in the women's 5K, with Annika Stamm of Stonewall less than a minute back for third place overall.

The 2K overall winner was Kaitlyn Dixon-Hayes of Winnipeg with a time of 10:39, and Joanne Reimer crossing the finish line with Kaylene Reimer of Balmoral and Stonewall respectively completing the Top 3 females. The top three males were Novak Kalem of Winnipeg, Jackson Oatway of Stony Mountain and Payton Jones of Winnipeg, all within a few seconds of each

Ryan Ritchie of Stonewall won the Men's 5K with a personal best time of 18:43.

other.

"Most of the runners praised the run course for its condition and flow despite having to climb Jimm's Hill so early in the race," said organizer Dwayne Olson.

A typical running event is planned over a year, but the Quarry Run was proposed in March of 2021 by a group of 17 Wing Triathlon Club members. The Stonewall Quarry Run was even planned with a new mascot (Terrydactyl) and shiny new finisher medals. Excitement started to percolate in the running community as the race sold out in about two weeks. However, that event was ultimately shut down by the provincial government because of the COVID pandemic and was not proposed again until this spring when a cancellation on the Manitoba Runners' Association schedule provided an opportunity to resurrect the event that never happened in 2021.

TRIBUNE PHOTOS BY DWAYNE OLSON

Runners line up at the start line for the 2K Quarry Run on June 25.

Joanne Reimer (Balmoral) and Kaylene Reimer (Stonewall) got second and third respectively in the 2K distance.

Because most of the planning had already occurred, three months was enough time to plan logistics but not enough time to get on the radar of most competitive road runners, according to Dwayne Olson. With that said, based on similar recent events in Stony Mountain, the event was expected to attract about 50 registrants. By race day, 75 participants had registered.

Myles Willis from Complete Physiotherapy finished second in the men's 10K.

Apart from an angry motorist at Main Street and 3rd Avenue North, the event went off without a hitch. The race currently has a 5K and 2K course (the 10K simply completes two laps of the 5K course), which starts and finishes in Quarry Park. The run winds through the northwest corner of Stonewall and, by all accounts, runners seemed to love the course.

Jeanette Olson of JO Massage thanks all the volunteers for their vital contribution and Quarry Park for being such a great host venue.

With a whole year to plan for 2024, look for a much-expanded Quarry Run in 2024.

Front row: Brooklyn Sachvie, Avery Deprez, Keira Pattie, Paige Powroznik, Lucy Hoff and Peyton Rinn.

Impact defeats United 4-3

Staff

The Interlake Impact and Stonewall United have had a lot of really good battles over the years.

They had another one last Friday in Winnipeg.

The two teams combined for seven goals as Interlake defeated Stonewall 4-3 in Manitoba Major Soccer League 4th Division action.

Impact goals were scored by Dalen Penner, Josh Friesen, Eric Plett and

Keyler Klassen.

Dante Lorenzo, Kevin Capek and Brian Penner replied for the United.

Interlake (2-4) played SCM Academy this past Tuesday but no score was available. The Impact will then take on Southside FC July 14 at Shaughnessy Park. Game time is 8 p.m.

Stonewall (3-4) will battle Central Plains FC on Thursday at 7:30 p.m. in Portage la Prairie.

TRIBUNE PHOTO BY LANA MEIER

The Stonewall United's Jesse Fernandes has the Interlake Impact's Garrett Hillmer go high above him during MMSL 4th Division action last Friday.

Hecla Triathlon to be held July 15

Hecla Triathlon website

The Interlake's only triathlon — the Hecla Triathlon — will take place in Hecla on July 15.

As of last Thursday, 145 individuals had registered. Start time is 7 a.m. from the Hecla Marina.

The race started in 2015 and has continued to grow and evolve each year since, and is home to Manitoba's only long course race.

The event is a popular destination race and may also have you feeling like you're somewhere outside of Manitoba.

This year's event will also be the 2024 Long Course Triathlon and Standard and Long Course Aquabike World Qualifier, where the top age

group female and male athletes can make their way onto the Canadian national team. The event will be held in Townsville, Queensland, Australia.

The swim course is protected by the marina, guarding from what can be an unpredictable Lake Winnipeg, with only a short run to transition T1.

The bike course is flat and fast, lock and load, and keep your eyes open for wildlife.

Moving onto the run, you will experience both road and trail, skirting the marina and hugging the lake.

This course will provide you both a physically and mentally challenging race, packed with stunning views, showcasing the beauty of the island.

Interlake Blue Jays defeat Winnipeg South

Staff

The Interlake Blue Jays defeated the Winnipeg South Wolves 7-4 at Charleswood Place last Wednesday in Manitoba Junior Baseball action.

With the win, Interlake improved its record to 10-11.

The Blue Jays will battle the Carillon Sultans on Wednesday (7 p.m.) at A.D. Penner Park.

On Friday, Interlake will play the Altona Bisons at Access Field in Altona. First pitch is 7:30 p.m.

The Blue Jays will then host Carillon on Sunday (7:30 p.m.) at Quarry Park.

Meanwhile, the Blue Jays are still in need of volunteers when they host the 2023 22U nationals in Stonewall from Aug. 3-6.

A call for volunteers is required to help fill spots for the following areas: entrance gate, souvenir table, 50/50 sellers, scoreboard operator, scorekeepers (manual), pitch count, in-game announcers (bilingual), spotters, beer garden servers and clean

up, parking lot attendants, clean up crew, and general helpers.

For interest in volunteering, please reach out to 22u2023championships@gmail.com.

In Winnipeg Senior Baseball League action, the Stonewall Blue Jays defeated the North Winnipeg Pirates 8-6 at Fines Field last Thursday.

Stonewall (6-6) played the Carillon Sultans this past Tuesday but no score was available. The Blue Jays will take on the Elmwood Giants this Thursday (7:30 p.m.) at Koskie Field.

The Interlake Orioles U18 AAA team was scheduled to play the St. James A's last Thursday but no score was posted on the league website at press time.

Interlake played the Elmwood Giants in a doubleheader this past Tuesday but no scores were available. The Orioles will host Pembina Hills in a doubleheader this Sunday at Atree Field. Game times are 1 p.m. and 4 p.m.

TRIBUNE PHOTO BY LANA MEIER

Justis Hellgards and the Interlake Blue Jays will play three games this week to wrap up their Manitoba Junior Baseball League regular season.

Girls' Baseball Tour to hit Stonewall

By Baseball Manitoba

Girls' Baseball is a series of development programs for girls ages seven to 12 who want to learn to play baseball — no experience necessary.

The goal is to develop and improve

a baseball skill set while giving athletes an opportunity to grow and develop in a fun, all-girls setting.

In 2023, Baseball Manitoba will be offering summer camps in July. These events will be led by members of our

female provincial teams and will include T-shirts, progress reports, and skill training

Dates and locations include July 11 in Carman, July 12 in Souris, July 18 in Stonewall and July 20 in Winnipeg

Camps, which will run from 10 a.m. to 1 p.m., cost \$25.

To register visit baseballmanitoba.ca.

> MEAL IDEAS

RED RIVER CO-OP FOOD STORE

Grilled Pork Chops with Peach Pecan Salsa

1 teaspoon minced jalapeno pepper
2 teaspoons lime juice
Season pork chops with 3/4 teaspoon salt and black pepper, to taste.

Heat grill or grill pan to medium-high heat. Grill pork chops until browned, about 5 minutes. Flip and cook 5-6 minutes until food thermometer inserted in center registers 135 F. Transfer to plate and rest at least 5 minutes until internal temperature rises to 145-160 F. Gently stir peaches, pecans, onion, basil, jalapeno, lime juice and remaining salt.

Add salsa on top of each pork chop with remaining salsa on side.

Chicken Caesar Salad Charcuterie Board

- 1 cup chopped red onion
- 1 cup chopped apple
- 1 cup chopped tomato
- 1 cup shaved Romano cheese
- 1 cup chopped pecans
- 1 cup golden raisins
- 1 lemon, sliced

Place lettuce from salad kits in large bowl; place in center of large round cutting board or platter.

Arrange sliced chicken and crostini around bowl of lettuce.

Place salad dressings and toppings from salad kits in individual small bowls. Place eggs, celery, cucumber, red onion, apple, tomato, Romano cheese, pecans, raisins and lemon slices in individual small bowls.

Arrange bowls in circle around lettuce, chicken and crostini.

- Prep time: 25 minutes
- Servings: 8
- 3 packages (9.1 ounces each) Fresh Express Twisted Lemon Caesar Chopped Salad Kits
- 2 pounds sliced grilled chicken
- 16 slices crostini
- 1 cup chopped hard-cooked eggs
- 1 cup chopped celery
- 1 cup diced cucumber

Reporter/Photographer Wanted

Are you a natural born storyteller with an eye for photography and a passion for community news? Carman-Dufferin Standard is currently seeking a full-time reporter and photographer to join its multi award-winning weekly community newspaper.

We are looking for someone who is both motivated and passionate about being the best outlet of interesting and breaking news stories and event coverage in the Carman-Dufferin area and surrounding area communities.

Qualifications:

- A post-secondary degree/diploma in journalism or equivalent experience in a related field
- Strong photography and writing skills with an interest in social media
- Self-starter with the ability to exercise solid news judgement
- Ability to establish professional relationships to consistently source and write a wide range of stories and cover events in a fair, balanced and accurate manner
- Able to work both independently and as a team on a flexible work schedule including both evenings and weekends to meet our weekly editorial deadline
- Experience covering council and school board meetings
- Knowledge of CP Style and about the Interlake and its surrounding communities would be an asset

Please forward your resumé along with three writing and photography samples to:

MORTGAGE SALE

The land and building known as 95042 Days Lane in the RM of St. Laurent in the Province of Manitoba as described in Certificate of Title No. 3092640/1 will be sold at a public auction on Tuesday the 25th day of July, 2023 at 10 a.m. by teleconference. There will be no in-person attendees at the auction. The Mortgagee is advised that there is situated on the property a one-story commercial building which was projected to operate as a grocery store and/or restaurant. The Mortgagee is advised that the property has been improved with a large gravel yard. The Mortgagee is further advised that the lot size is approximately 1.70 acres, and that the building situated on the property is approximately 4,500 sq. ft. in size (note: no survey has been conducted). The Mortgagee is further advised that the flooring in the interior of the building is a blend of concrete and wood subfloor, and that there are three two-piece bathrooms as well as two kitchens in the building.

Realty Taxes: The Mortgagee is advised that realty taxes with respect to the property are paid in full to December 31st 2022. The property is being sold subject to all taxes and penalties accruing after that date. Any outstanding water, sewer and utility account(s) for the current and prior years, whether or not added to the tax account at any time, are the responsibility of the purchaser.

Prior Charges: Caveat No. 86-61369/1.

TERMS: \$25,000 deposit by way of cash, certified cheque, bank draft, or solicitor's trust cheque payable to Tapper Cuddy LLP (the maximum amount of cash that may be provided as part of the deposit is \$7,500) to be delivered by the successful bidder to Tapper Cuddy LLP within 24 hours of the auction, and the balance in accordance with the conditions to be announced at sale. Should the successful bidder fail to do so the auction shall be considered abortive.

Reserve bid plus such other additional and incidental costs which may be incurred by the Mortgagee will be announced at the commencement of the sale.

In order to participate you must pre-register at least 24 hours prior to the auction by contacting Kaitlan Buchko at either 204-944-3247 or kbuchko@tappercuddy.com

The auction sale will be conducted pursuant to an Order for Sale issued by the District Registrar. Certain parties may be prohibited from purchasing the property, including but not limited to, parties who by virtue of their employment or relationship to a person involved in the same process would have special knowledge of the circumstances pertaining to the sale. For more information and a list of prohibited purchasers please visit: www.teranetmanitoba.ca.

Further information and copies of conditions of sale may be obtained from: TAPPER CUDDY LLP, Barristers and Solicitors, 1000 - 330 St. Mary Avenue, Winnipeg, Manitoba R3C 3Z5

Attention: Kaitlan Buchko Telephone No. 204.944.3247.

CARD OF THANKS

The family of Tom Goodman would like to thank everyone for the support received after the loss of our husband, father and grandfather. The love and caring we received has been overwhelming. It has helped us through a very difficult time. Special thanks to an amazing group of friends that got together and organized many family meals for us. Thanks to the Duffers for having one last Falcon Lake golf game. Tom would have loved the camaraderie (not so much the golf). Thanks to Ted Hicks for his understanding, to Bill, Jae, Bill and Paul for their meaningful words and to Stephen Hjalmarson of Ken Loehmer Funeral Services for his compassion.

-Debbie,

IN MEMORIAM

George Kowalchuk
May 5, 1917 - July 8, 2003
Those we love are never more
than a thought away,
For as long as there's a memory,
They live in our hearts to stay.
- Loving you, Eddie and Tom always
and missing you everyday,
your wife, Mary
and your children, Rosalie (Mike),
Lucy (Terry),
(Chris) and (Patty), and their families

CARD OF THANKS

Thank you to family, friends and neighbors for the cards, food, flowers, phone calls and visits I received after the passing of my brother, Bill Swan. Also, a very special thank you to Rev. Cathy Maxwell, Rochelle at Mackenzie's Funeral Home for her guidance, and the volunteer Legion ladies for providing a most delicious lunch following the service. Your support and kindness has been most appreciated at this difficult time.

-Patricia Cairns

OBITUARY

Aileen Agnes Blyth (Lane)
1933 – 2023

It is with profound sadness that our family announces the passing of our much loved mother, Nana, Sweetheart, Great Nana and friend.

Aileen was predeceased in 2010 by her loving husband, Bill. Mourning her passing are her children Len (Joyce) and Janice (Ron Gulay); her grandchildren and their families: Lee and Jayme (Tucker and Beckett), Betsy and Paul (Millie), Trevor and Lisa (Annika, Espen and Ivy), Allana and Adam (Jase and Aubrey) and Shawn and partner, Jade.

Aileen was born in Winnipeg in 1933 and lived in Thunder Bay, Brandon and Winnipeg making many friends along the way. Always a very proud Winnipegger and Manitoban, Aileen was a staunch supporter of the Winnipeg Jets and the Winnipeg Blue Bombers. She was happiest surrounded by her family in the Interlake or at the cabin at Gustafson's Resort on Longbow Lake where she summered for many years with her grandchildren by her side.

The family wishes to acknowledge and thank the many medical professionals and caregivers who supported her in recent years. Thank you to the staff and doctors at the Arborg PCH.

In lieu of flowers, a donation may be made to a charity of one's choice in Aileen's memory.

Your memory will live forever Engraved within our hearts

OBITUARY

Audrey Lenore Greenham (nee King)
August 12, 1927 - June 3, 2023

Peacefully on Saturday, June 3, 2023 Audrey Greenham of Clarkleigh, Manitoba let go of the hand of her family and reached out for God's hand and her eternal heavenly home.

She leaves to cherish her memory, her children: Wendy (Jim), Judy (Bill), Tom (Irene), Norma (Bob), Gracie (Dan) and Lorraine (Larry); her grandchildren: Diane, Michelle (Jamie), Wayne (Cora), Sheila (Chris), Stephanie (Steve), Bradley (Justine), Lyle (Charity), Jill (Scott), Ryan (Andrea), Darcy (Laura), Delaney (Virgil), Jordan (Mike), Rachel, Emily, Jeremy (Eva); her great-grandchildren: Gregory, Lisa, Alexandra, Ethan, Evan, Tyler, Austyn, Alyssa, Brooklyn, Makayla, Jayden, Callie, Aubrey, Nathan, Elsa, Jackson, Audrey, Knox, Danica, Morley, Violet, Evelyn and Juliet; her great-great-grandson Gunner; many nieces, nephews and great friends.

She was predeceased by her loving husband, Morley; her parents, Fred and Emma King; sisters, Mary, Evelyn, Ruth, Emma, Helen, Dorothy; brothers, Fred, George, Harry and twin brother, Lawrence.

Audrey was born in Winnipeg. She moved to the farm in Clarkleigh with her family when she was four years old. She loved to make hay with the horses and we heard lots of stories about runaway horses in the hayfield. She really enjoyed school, playing baseball and soccer. She loved to run, with the colts, after the cows, and at the school and picnic races. She played the piano by ear and played for a school choir. She worked at East Meadows Ranch when she was a teenager.

Audrey married Morley, June 15, 1946 and they had 58 wonderful years together. She had a busy life working on their dairy farm and raising six children. She always made our work on the farm fun. We raced with the clock getting work done, played games and enjoyed picnics. She loved to mow hay and made the best hayfield lunches. She was very involved with her grandchildren, hosting many family gatherings, which usually involved a game of soccer.

Mom sewed many of our clothes when we were young. She crocheted, knit and sewed many quilts and always had a project on the go. Mom enjoyed watching the Blue Jays and the Jets. She maintained a close relationship with her siblings which gave us the gift of a large close knit extended family.

After Audrey and Morley retired from dairy farming in 1977 she became more involved with the Clarkleigh Friendship Club, working as secretary treasurer. She was very involved in the Clarkleigh United Church serving as secretary and then chair for many years. She also took tea and coffee for refreshments after church. Mom wrote notes about her childhood and time working on the farm. In her notes she wrote ... "The strength that I have from God has helped me all through my life."

Audrey travelled extensively after retiring from dairy farming, visiting family across Canada, USA, New Zealand and Europe. She loved her trip to Churchill to visit the polar bears when she was 86 years old.

In 2018 Mom moved from the farm to the Lundar Seniors Home. She enjoyed many friends there. The family would like to thank all the health care workers for their kind care of our Mom over the years. You are greatly appreciated!

We are so blessed to have had such a kind, easygoing, wise and hardworking Mom. We will miss her amazing attitude, ready laugh, and great smile! We all remember Mom/Grandma standing at the window waving good-bye to us.

In lieu of flowers, donations may be made in Audrey's memory to Lundar Seniors' Housing, Box 655, Lundar MB R0C 1Y0, Lundar Seniors Resource Council, Box 430, Lundar, MB, R0C 1Y0 or to a charity of your choice.

A private family service will be held on Sunday, July 16, 2023 at Clarkleigh United Church, followed by a public Celebration of Life at 2:00 p.m. in the Lundar Legion Hall. Interment will follow.

OBITUARY

Fred Procter

On June 26, 2023, ten days short of his 94th birthday, Fred peacefully passed away at Rosewood Lodge in Stonewall, Manitoba.

Fred leaves us to join his wife, Astrid; parents, Marge and Jim; Astrid's parents Torger and Martha; his sisters Edith (Lloyd) and Winnifred (Jim); brothers and sisters-in-law Gary, Lloyd, Gordon, Doug (Sherry), and Dorothy (Ken).

Left to cherish his memory are his children: Randy, Trevor (Michelle), Trent, and Pat Simonson; his grandchildren, Paige, Nevada, Bob, Dawson, Brody, Lucas, Payton, Charlie, and Kennedy; brothers-in-law Ted (Joy) and Carl (Edie) and sisters-in-law Betty and Peggy. And special to him, his many nieces and nephews.

Fred was born on the JP Ranch in Woodlands, Manitoba on July 6, 1929 and spent his entire life as a cattleman on the farm, until he

suffered a significant stroke at the age of 91. Fred lived his remaining years at Rosewood Lodge in Stonewall.

Fred married Astrid Simonson on July 5th, 1966 and together they raised their family on the farm in Woodlands, Manitoba. Fred was a hard-working man dedicated to his farm and the way of life that came with it. Outside of family, there was nothing he loved more than working with cattle and putting up hay. There are very few people left on earth, who can say they farmed using teams of horses to operating tractors with air ride seats and computerized technology (even though he didn't use the technology), but Fred did. His stories from back in the day were the best, and will forever be treasured. Fred farmed side by side with his father and then with his son, Trevor, on their cattle farm until the day of his stroke in 2020. Fred was a simple and kind man, he loved his meat and potatoes, rye and Pepsi, coffee and toast, and a good visit with friends and family. Although Fred's passion was farming, he was also an exceptional athlete and hunter (best shot in the land). His love of hunting, baseball and hockey was passed down to his children and his grandchildren. Those who knew Fred well, knew that his farm and his family were his sole source of pride. If you were lucky enough to have sat with him over a rye and Pepsi, you would quickly see this passion. He bragged about the accomplishments of all his children and grandchildren, he would light up when he spoke of them.

In lieu of a formal service, we are asking friends and family to raise a glass of whiskey and toast Fred's well lived life and remember him in a way that is special to you.

If you so desire, make a donation in Fred's name to Woodlands Rec Club or Heart and Stroke Foundation of Canada.

Fred's family would like thank the amazing staff at Rosewood, who took exceptional care of him over the past three years. Special thanks to his niece Dawn whose regular visits added so much happiness to his life.

Rest easy Dad. Cheers.

OBITUARY

George E. Mann

It is with deep sadness that we announce the passing of George E. Mann on Wednesday, June 28, 2023.

He leaves to mourn his loving and devoted wife of 65 years, Tove, daughter Leslie (Gordon), daughter Dawn (Steve), son Grant (David) and numerous grandchildren and great-grandchildren.

The family wishes to thank Dr. Zahiri, staff at Stonewall Hospital, Rexal Pharmacy (Stonewall) as well as staff at Red River Place (Selkirk) for the compassion and care shown to Dad. The family also wishes to thank George and Tove's neighbors for their kindness and helpfulness over the years.

Cremation has taken place and a private graveside service has been held.

kl
KEN LOEHMER
FUNERAL SERVICES
204-886-0404

OBITUARY

Anne Shirley Brindley July 5, 1930 – June 28, 2023

Anne Shirley Brindley (nee Holt), Mother, Gramma, Great-Grandmother, sister, friend, passed away on the morning of June 28, 2023, at the age of 92 years young. She lived life to the fullest by spending time surrounded by family and friends. She loved laughing, watching curling, playing cards, and always jumped at the opportunity to go out for breakfast or wing nights.

Anne was born on July 5, 1930, to Clarice and George Holt in the R.M. of Roblin, Manitoba. She lived in Stonewall, Manitoba where she lovingly raised her family before moving to Argyle. She adored being part of the community and spent many years as a member of the curling club and played in numerous shuffleboard tournaments around the province. Her last years were spent living at the Knight's Center in Selkirk, where she was thrilled to become

part of a new community. She cherished the friendships she made there and never missed an opportunity to attend an outing, meal, or celebration.

Anne was predeceased by her husband Ken; son Brian; siblings Helen, Tom, Jim, and Allan.

She leaves to cherish her memory, her daughter Donna (Ken) and daughter-in-law Bev. She was a beloved grandma to Jackie (Doug), Valery (Cory), Mary (Darren), Karen (Jeff), Kendall (Richard), and Brindley (Sean). She also adored her many great-grandchildren Gavin (Manvir), Justine (Ryley), Breanna (Jesse), Chaz (Kaitlyn), Emily (Duncan), Sam (Alexis), Alex (Kennedy), Jayden, Greame, and baby Taeya Anne who captivated Gram's attention since the moment they met. She will also be missed by her brother Ted, sisters-in-law Peggy, Diane, and Joy as well as many nieces and nephews.

She was most fondly known as Gram by those closest to her. She would always welcome you with the warmest smile, biggest hug, and favorite treat at the time. She had a knack for making everyone feel as if they were the most special. She was compassionate, kind, and abundantly affectionate to those she loved most. She was independent, strong, and possessed a feisty stubbornness that will live on in her six granddaughters.

You will live on in our hearts and actions for eternity, Gram.

Love you biggest.

The family would like to express gratitude to those who cared for Anne at both Selkirk Hospital and HSC. Thank you also to Ken Loehmer for your help during this difficult time.

In lieu of a funeral, a small family celebration will take place, as per Mom's request.

For those who wish, a donation can be made in her memory to a charity of your choosing.
