The Stony Mountain Community Association was very pleased with the incredible turn out for their Canada Day celebrations last weekend. They kicked off the weekend with their first Family Festival on June 30 that included a literacy walk where children hunted through the quarry for storyboards and chose their own books at the end. The festivities included a candy toss, a 'Rock the House' concert at the Bison Bandstand and fireworks. On July 1 the streets were lined for the parade led by the Stony Mountain Rockwood Fire Department, a lunch was served to approximately 500 sponsored by Kenaston Developments and cupcakes were served courtesy of the Stony Mountain Institution prior to the annual community water fight.

# OFF! repellent to host free event in Komarno

By Jennifer McFee

The community of Komarno will be buzzing with activity for an upcoming event hosted by well-known mosquito repellent company.

On Friday, July 22, OFF! brand will host an evening celebration in Komarno, which means "mosquito infested" in Ukrainian.

Located in the RM of Armstrong, Komarno proudly boasts the title of Mosquito Capital of the World, which makes it the ideal location for OFF! to host its festivities.

The free event will feature catered food and entertainment, with most of the excitement taking place in front of the large mosquito statue.

In addition, entomologist Taz Stuart will talk to the crowd about mosquito safety and awareness.

Representatives from OFF! will be on site to film a documentary-style video celebrating Komarno and interviewing some residents during the event.

"The focus of this is OFF!'s mosquito lamp, which creates a 10-foot-by-10-foot barrier around you to repel mosquitoes," said Zara Turner on behalf of OFF!

"We're also promoting OFF! Gentle, which is safe for use on children aged six months."

"THE FOCUS OF THIS IS OFF!'S MOSQUITO LAMP."

Adding to the excitement, OFF! will also be donating products to the entire community of Komarno and attendees at the event.

Stay tuned for more details as they become available.

TRIBUNE PHOTO SUBMITTED

The Komarno mosquito statue will be the site for OFF! brand to film a documentary-style video to promote OFF!'s mosquito lamp.

## Interlake School Division notes

By Jo-Anne Procter

At the final meeting of the Interlake School Division Board of Trustees 2021-2022 academic year it was announced that as of September 2022 Stonewall Collegiate will take on College Stonewall Collegiate as their official name given the growth and

strength of the French Immersion program throughout Grades 9-12.

- To date a total of 40 separate staffing positions within the Interlake Teachers Association employee group have been filled for the 2022-23 school year. IANTE positions have also been

**SOUTH INTERLAKE PLANNING**

*Planning a Project this Construction Season?*

Spring and summer are busy seasons for construction, and it's also a time when many are preparing to enjoy the outdoors.

With this in mind, the South Interlake Planning District (SIPD) would like to issue a reminder that Development and Building Permits are required for most types of construction, renovations, and structures (pre-built, site-built, temporary or permanent). These include but are not limited to: **Swimming Pools, Hot Tubs, Decks, Sunrooms, Gazebos, Pergolas, Sheds, Fabric Shelters, Interior/Exterior Renovations or Repairs, Solar Panels, Window and Door Installations (structural only), Basement Developments, etc.**

Permits help ensure that buildings and structures meet the *Manitoba Building Code*, which in turn increases the level of safety for everyone.

If you are unsure whether your project requires a permit or not, or if you have any questions, please contact the SIPD office at 204-467-5587 and we'd be happy to assist you! More information is also available on our website: [www.sipd.ca](http://www.sipd.ca)

# Sports field rededication

TRIBUNE PHOTO BY JO-ANNE PROCTER

On July 1 in Stony Mountain, during the Canada Day celebrations, the community rededicated their sports fields to Leon Vandekerckhove who was a long time resident and served on Rockwood council for 41 years. Vandekerckhove dedicated his life to his community and the municipality. The sports fields were originally named in his honour in 2000, however, when the new daycare was built the plaque was removed. Last Friday, close to 500 people were in attendance as the new plaque was unveiled. Pictured left to right, Dave Van Heyst, Tom Huffman, Jerry Vandekerckhove, Wes Taplin and Marcia Desmedt.

## > ISD, FROM PG. 4

filled, with interviews for 14 vacancies that took place as of June 24. The transportation and maintenance departments are also working on vacancies with the ISDBDA and CUPE employee groups. Overall 18 letters of retirement have been received across all employee groups.

- Kari Willey has been appointed to the position of Teaching Principal at Rock Lake School effective Sept. 6, 2022.

- Bill Olson has been appointed Term Principal at Stony Mountain

School effective Sept. 6, 2022 – June 30, 2023.

In other ISD news:

Stonewall Collegiate will be dedicating a section of their library to Monsieur David Rankine who passed away in November 2021. Graduating French Immersion students wanted to honour their beloved teacher with a section of French books in the library. A sign with his name on it along with his family tartan will be above where the section is.

## COVID booster shots recommended for fall; Doctors Manitoba revises procedure backlog

By Patricia Barrett

With the COVID-19 virus continuing to mutate and gaining traction in some parts of Canada, Canada's National Advisory Committee on Immunization (NACI) is recommending the administration of an mRNA booster shot this fall.

For some people, an additional shot of vaccine could constitute their third, fourth or fifth dose.

The recommendation comes after an expected resurgence of COVID in the fall and the possibility of stressing the health-care system.

"The likelihood, timing and severity of a future wave of COVID-19 is uncertain; however, the later fall and winter months are expected to be associated with a resurgence of SARS-CoV-2 community transmission due to indoor and seasonal gatherings," states NACI in a June 29 guidance report. "Later fall and winter is also a time when the incidence rates of other respiratory diseases are elevated, which leads to increased pressure on health systems."

It recommends that individuals aged 12 to 64 years of age be offered a fall COVID booster vaccination "regardless of the number of booster doses previously received." And it strongly recommends that the fall booster dose be given to the following:

- People 65 years of age and older
- People living in long-term care or congregate living facilities
- Children 12 years of age and older with an underlying medical condition
- Adults living in First Nations, Métis, and Inuit communities
- Adults in racialized communities and/or marginalized communities (e.g., people living with disabilities)
- People 12 years and older

### ! Estimated Pandemic Backlog for Surgery

Procedure	Backlog		Wait Time		
	Estimated Range		Pre-Pandemic	Current	Trend
Cardiac	136	to 146	14-18 days	17 days	↔
Cataract	1,247	to 2,747	10-14 weeks	21 weeks	↑
Hip/Knee	1,631	to 3,131	20-30 weeks	35 weeks	↑
Other Surgeries	28,650	to 33,650	N/A	N/A	
<b>TOTAL</b>	<b>31,664</b>	<b>to 39,674</b>			

Cardiac, Cataract and Hip/Knee were estimated using change in wait list. Other surgeries reflects estimates of missed procedures. Wait times are median based on Manitoba Health reporting. For cardiac, the waits represent all procedures. For cataract, the waits are for Misericordia. For Hip/Knee, a province-wide estimate is available. See appendix for detail.

**DOCTORS MANITOBA**

Estimated wait times for surgical procedures such as hip, knee and cataracts as of June 28.

who are living in congregate settings such as quarters for migrant workers, shelters, correctional facilities and group homes.

NACI said the omicron subvariants BA4 and BA5 "continue to grow" in Canada while previous omicron subvariants, such as BA2, are on the decline.

In addition to the rise of the latest subvariants – which can evade natural or vaccine-induced immunity and are even more contagious than previous omicron lineages – the proportion of people who've received at least one additional dose of vaccine has "plateaued" and "infection- and/or vaccine-acquired immunity wanes over time."

With regard to adverse side effects of [additional] mRNA booster doses, NACI said health risks are unknown in the case of some serious complications because they've been administered to a limited subset of the population, such as long-term care residents, and the monitoring of vaccine safety is ongoing.

"Booster doses were well tolerated

and no new safety signal was identified. However, second booster doses have generally been administered in specific populations (e.g., LTC residents, older adults) or in small groups, therefore evidence of their safety is currently limited," states NACI. "The risk of myocarditis and/or pericarditis [inflammation of the heart / inflammation of the lining of the heart] following the first booster dose was lower compared to dose 2 of the primary series, which is consistent with lower risk due to extended intervals between doses. The risk of myocarditis and/or pericarditis associated with additional doses is currently unknown."

Many of the COVID vaccines approved by Health Canada are associated with a risk of serious health complications – including death – which include thrombosis (blood clots), thrombocytopenia (low platelets in blood), capillary leak syndrome, Guillain-Barre syndrome (the immune system attacks the nerves and can paralyse the entire body) and Bell's Palsy

# worship A New Life

with us > FAITH

Saturday June 25th, I had a very unique pastoral experience. I performed a wedding ceremony at New Life Church, Stonewall and did it in two different languages: English and Ukrainian.

About a month before, I met Rachel and Steve Clark from New Life and they told about a Ukrainian couple the church was sponsoring to come to Stonewall. They said the couple, Ivan and Violetta, had been planning to get married in Ukraine but then the war happened. Rachel, knowing that I am able to speak Ukrainian, asked if I would be willing to perform the ceremony, which was to be livestreamed back to Ivan and Violetta's families in Ukraine. I immediately said yes.

The ceremony was in English and Ukrainian. We had a translator for most of it, but I did the Introduction and the Conclusion, in both languages. The funny part was telling Ivan, in the Conclusion, in English, to kiss Violetta (which he did) and then telling him again in Ukrainian (which he again gladly did!)

I met with Ivan and Violetta sev-

eral times to plan the wedding and I discovered that both are fine born-again Christians and had been part of a great church in Ukraine.

And it was amazing to hear how they had gotten here. They had been on a ski trip in Poland, having left Kiev on Monday, February 21, planning to return Friday, February 25th when Russia invaded Ukraine. On Wednesday, February 23rd, Violetta got a call from her brother telling her they should not try to come back to Ukraine.

As result, in Poland, they applied to come to Canada and were able to do so, largely through the work of the folks at New Life Stonewall.

At the wedding, it was moving to hear Ivan thank everyone, saying how grateful he was for everything the folks at New Life had done. He said because of New Life that they were able to begin a "new life" in Canada.

I was so happy I could do my part to help a young couple, traumatized by war, in their new life.

Henry Ozirney

> COVID, FROM PG. 6

(facial paralysis). The World Health Organization and researchers have also reported on multi-thousands of cases of tinnitus and hearing loss.

Health Canada has instructed vaccine manufacturers to list some warnings on their product monographs. The health agency maintains that the benefits of COVID vaccines outweigh the risks of the disease.

A total of 85,133,726 vaccine doses have been administered in Canada as of May 27, according to the federal government. Adverse health events have been reported by 46,635 (about 6 in 10,000) people. Of those 46,635 reports, 9,627 were considered serious.

Other health news:

-The Interlake-Eastern Regional Health Authority's medical officer of health declared a COVID-19 outbreak

June 27 at the Betel Personal Care Home in Selkirk.

"General visitation is suspended and outbreak protocols are in place," states a notice on the IERHA's website. The number of infected people was not provided.

-The provincial government's weekly COVID surveillance report for the week June 19-25 shows 157 new cases of COVID. The volume of restricted PCR lab tests for the virus decreased from the previous week's report. Provincial data is an undercount of the true number of infections.

There were also 46 new hospital admissions for the virus, of which five people required intensive care treatment, and one death was reported.

Manitoba's COVID death toll now stands at 2,043, an increase of 18

deaths from the previous week's death toll of 2,025.

-In its COVID-19 Weekly Epidemiological Update published June 29, the World Health Organization reported that the number of weekly cases "has increased for the third consecutive week, after a declining trend since the last peak in March 2022." The countries with the highest numbers of new weekly cases are the U.S., Germany, Brazil, Italy and China.

-Doctors Manitoba revised its estimate of the backlog of surgical and diagnostics procedures. As of June 28, there are between 107,111 and 130,449 procedures in the queue. The organization reported over 166,000 procedures at the end of May.

"The new estimate focuses on the work required to clear the backlog, rather than tabulating the procedures missed during the pandemic as some

of those procedures are no longer required," states the physician advocacy organization on its website.

Some patients no longer need a test or a procedure because their condition has either improved or deteriorated, they died while waiting or they moved away, states Doctors Manitoba. And "alternative and sometimes less ideal tests or treatments were used instead."

-The Public Health Agency of Canada (PHAC) reported 43 additional cases monkeypox last week for a total of 278 cases as of June 29. Quebec has reported 202 cases, Ontario, 67, Alberta, five, and British Columbia, four. There was a total of 235 cases reported as of June 24.

-The World Health Organization has confirmed 3,413 cases of monkeypox and one death from 50 countries/territories between Jan. 1 and June 22. The majority of laboratory confirmed cases were reported from the WHO's European Region at 86 per cent, followed by the Region of the Americas at 11 per cent and the African Region at two per cent.

# The HAWKS' graduating class of 2022

Valedictorian Caitlin Combot addressed her fellow students at the 2022 graduation ceremony.

TRIBUNE PHOTOS SUBMITTED

The St. Laurent School graduating class of 2022 - the St. Laurent Hawks. While "Hawks" may be the name that proudly adorns the various sports teams, it also represents the kind of people who graduate from St. Laurent. The 'H' is for Honesty, 'A' for having a positive Attitude, 'W' for understanding the importance of education and a good Work Ethic, 'K' for the Kindness we wish to bestow upon others, and 'S' is for good Sportsmanship that helps make any type of competition fun.

## St. Laurent Grad Bursaries for 2022

### Caitlin Combot

- Post-secondary Scholarship – Sponsored by the Boilermaker's Union
- Post-secondary Scholarship – Sponsored by Caisse Populaire
- Post-secondary Scholarship – Sponsored by Noventis Credit Union
- Entrance Scholarship – University of Manitoba
- Metis Award – Sponsored by the Interlake Metis Association
- Best Female Athlete Award – Sponsored by Interlake Packers
- Post-secondary Scholarship – Sponsored by the Prairie Rose Teacher's Association
- Yvon Dumont Community Engagement Award – Sponsored by the R. M. of St. Laurent
- St. Laurent School Honours

### Mikayla Gregory

- Diligence Award – Sponsored in memory of Hugh Sigurdson
- Metis Award – Sponsored by the Interlake Metis Association
- Citizenship Award – Sponsored by École Communautaire Aurèle-Lemoine
- Community Involvement Award – Sponsored by Big Interlake Mechanical
- Patsy Millar Metis History and Community Service Award – Sponsored by the Millar Family

### Kayla Lavalée

- St. Ambroise Lamaront/Lavalée Bursary

### Alyssa Lilley

- St. Ambroise Lamaront/Lavalée Bursary
- Perseverance Award – Sponsored by Lakeview Garden Restaurant

### Kole McKay

- Metis Award – Sponsored by the Interlake Metis Association
- Apprenticeship Award – Sponsored by Flo's Septic
- Apprenticeship Award – Sponsored by Dumont Bros.

### Quinten Pascal

- Diligence Award – Sponsored by the Prairie Rose School Division Board

### Domonic Saltise

- St. Ambroise Lamaront/Lavalée Bursary
- Perseverance Award – Sponsored by Lakeview Garden Restaurant

# SCI graduates put the pandemic behind them

By Jo-Anne Procter

It was a special day for 122 Stonewall Collegiate Institute graduates as they crossed the stage at the Veterans Memorial Sports Complex on June 25 to collect their high school diplomas.

Principal and emcee Jason Cassils welcomed graduates and encouraged them to think back to the early days of their education and be proud of the challenges they overcame in their abnormal high school experience.

"Your graduation ceremony presents an opportunity for each of you to see how far you have come. From that first day of school to crossing the stage and receiving your diploma," he said.

Interlake School Division chairperson Alan Campbell brought greetings on behalf of the ISD board of trustees and wished graduates well as they moved on from high school.

"What they have accomplished in spite of the incredible challenges we have all faced in the last few years is amazing," said Campbell.

"The success that is represented today and the optimism about how you will all go forward with and succeed and represent the best that Stonewall and the communities that attend Stonewall Collegiate have to offer, means more now than ever because of all the challenges of the last couple of years."

Vice principals John Loochuk and Bryce Baldwin and Music and Drama teacher Kendra Obach assisted Cassils with the official presentation of diplomas, scholarships and merit awards.

Vice principal John Loochuk presented the ISD Award of Excellence gold medals to students who earned an average of over 90 per cent in their

TRIBUNE PHOTOS BY JO-ANNE PROCTER

The Interlake School Division Award of Excellence gold medals were presented to 15 SCI graduates.

Governor General Bronze Medal recipient Avery Godin earned an impressive combined average of 95 per cent, with the award presented by Jason Cassils, Bryce Baldwin and John Loochuk.

Grade 12 year. The overall average is calculated based on math and ELA marks and four or five elective marks.

Avery Godin, Abigail Highmoo, Sierra Kennedy, Kalin McGuirk and Sarah Shewchuk attained a complete set of four medals. Grace Fines, Regan Hoess and Emerson McAuley earned three medals, while Paris Grosselle, Embla Helgadottir, Joseph Ladyka, Eve Lawrence, Tristan Shore, Dayna Van Steelant and Brooke Wadge all received their first gold medal.

Valedictorians Brady Holm, Eve Lawrence and Kalin McGuirk stepped

Emerson McAulay is this year's winner of the general proficiency at SCI presented by staff Bryce Baldwin, John Loochuk and Jason Cassils

away from the traditional valedictory address and involved their fellow grads in a Class of 2022 game of jeopardy.

The class of 2022 overcame many challenges throughout their high school experience. They went from having school every day to every other day. Being mandated to wear masks at the height of the pandemic, having staggered start days and times and separate cohorts within the school.

"The pandemic made a huge dent in our time as high school students.

Eve Lawrence, Kalin McGuirk and Brady Holm were valedictorians for SCI's Class of 2022.

Memories, time together and part of the high school experience were lost during our grade 10 and 11 years," Lawrence said.

"This was supposed to be the time of our lives, but for many of us it was spent at home, with no friends and no fun. Who knew we would get bored of no school, sleeping past noon and gaming until 2 o'clock in the morning," Holm admitted.

McGuirk pointed out that graduation is a time to be thankful and inspired. "We would like to start by thanking all of the teachers and ad-

## > SCI GRAD, FROM PG. 13

ministration here at Stonewall Collegiate for providing a great education throughout the past four years."

The trio thanked family and friends for their support along the way and explained that the pandemic has also taught students to have a deeper appreciation for one another and how to cherish time with friends and family.

"Because of our long separation, we learned to value each other and cherished our time together for our last year," McGuirk said.

Holm quoted a famous SCI quote in the MPR: "Life is 10 per cent of what happens to you and 90 per cent how you react to it."

"As you face new experiences, great challenges along with new groups of people and unfamiliar environments, know that you have the resilience and the determination to conquer anything thrown at you," Lawrence said.

The valedictorian's message to their classmates was to remember that every moment is an opportunity to learn from everyone around you. Pay attention when things go well, and pay extra attention when they don't and watch how people react to challenges. Build relationships with people who face problems by being the solution.

Cassils presented the prestigious Governor General's Academic Medal

to Avery Godin. The bronze medal, first awarded in 1873, is awarded to the student who achieves the highest average upon graduation from a secondary school. This average must include all Grade 11 and Grade 12 courses as listed on the student's official transcript.

He praised Godin for being an excellent student and graduating with an overall average of 95 per cent and 33.5 credits. Her teachers know Godin to be conscientious, meticulous, approachable, humble, kind, and highly respectful to staff and fellow students. She is a very independent and hard-working student who is an excellent problem solver. She is a high achiever, takes ownership of her work, and always rises to a challenge. Godin will continue her studies at the University of Manitoba.

Vice-principal Bryce Baldwin introduced the ISD General Proficiency Award recipient Emerson McAuley and presented her with a cheque for \$1,000. The award is given to a Grade 12 student who is academically sound and performing at an above-average level. Is courteous, well-mannered, respectful, collaborative, and a well-rounded student willing to give to school functions and be involved in the school and/or community.

Baldwin described McAuley as a pleasure to teach, always willing to

lend a helping hand, a friend to all, and an all-around great role model. She is a great learner who always wants to improve in whatever she does. She had an average of 95.67 per cent, won an excellence medal and was a previous SCI Student of the Year.

McAuley is always cheerful, greeting everyone with a smile. She is a leader in the classroom and is a fantastic teammate. She was a valuable member of the fastpitch team and performed exceptionally well at the Zones and provincial track and field championships. McAuley plans to further her education at the University of Manitoba.

Music students Sarah Delany, Abby Highmoor, Eve Lawrence, Parker McElroy and Neil Trinidad performed 'It's Time' by Imagine Dragons and Sierra Kennedy put together a video for graduates.

Cassils took a moment to thank all the SCI staff, teachers and support staff for their daily work. He singled out Mrs. Lamm for her countless hours over the last 31 years to ensure SCI graduates have the best day possible and all of the families that volunteered their time to help out.

"Looking back at the last four years of school it has been quite a ride," he said.

"You have been through the transition from Grade 8 to high school; then you went two years of this crazy pandemic and everything it brought and finally you're officially done."

When you look back at your high school years and tell stories to family and friends, no one will believe what you have gone through."

"One of the biggest takeaways from the past two years is how impressed we have been with all of you, maneuvering your way through these difficult times and really not complaining much at all," he said with admiration. "Just doing what you had to do to get your education and take care of your family and friends. Very caring and very unselfish."

Abby Sargent accepts her diploma.

KC Park hugging fellow graduate Desyre Brennan.

"You should be very proud of yourselves and we are definitely very proud of you."

In closing, Cassils shared the following words of inspiration;

Be kind. "If everyone gets lifted up, you will rise up and be successful. If you are nice to others, people will be nice back to you."

Work hard. "Hard work beats talent when talent doesn't work hard. It's not always how intelligent you are, but how hard you work will make the difference."

Dream Big. "You never know what you will accomplish in your life."

Have Fun. "Everyone needs more fun in their life."

"You can do it. I believe in you; we believe in you."

# Warren Collegiate graduates look to the future

By Becca Myskiw

It was a day most take for granted but won't anymore. Warren Collegiate Institute (WCI) graduates walked across a stage in front of hundreds to receive their diplomas for the first time in two years.

As storm clouds rolled in outside, 34 grads sat in the Warren arena dressed in gowns and suits of blues, reds, and yellows. The afternoon started with O Canada and a speech from principal Laura Perrella.

Perrella talked about her first teaching job up north, where she was hundreds of miles away from the nearest McDonald's. She said she enjoys a Big Mac as much as the next person, but when it's not as accessible as you're used to, you learn to appreciate it a bit more.

"This is my Big Mac," she said, gesturing to the whole celebration.

After not celebrating this for a couple of years, she's missed it more than she thought, and she was beyond happy to hold it again. Interlake School Division (ISD) board trustee Cindy Brad addressed the grads after Perrella. She told the graduates about their educational toolboxes — they're full of problem-solving, critical thinking, and more, and they'll open it at the start of each day. But, of course, everyone's toolbox will be slightly different to suit their needs.

Brad then read from *Oh The Places You'll Go!*, and talked about what Dr. Seuss meant in each line she read.

"You are to prepare for what comes next," she said. "What is the next step? What path are you going to choose?"

She said until today, their paths have led in one direction, but they've now reached a fork in the road. Graduates have to choose between post-secondary school or employment? Their destiny, Brad said, is up to the graduates.

Valedictorians Katelyn Dorsch and

Valedictorian Katelyn Dorsch received a number of awards and bursaries, including the ISD General Proficiency Award, Varsity Girls Athlete of the Year, and the Governor General's Academic Medal.

Valedictorian Karson King was excited to graduate.

Abby Cassidy smiles after receiving her diploma from principal Laura Perrella.

Karson King started their speech by reminiscing on specific memories with each teacher and thanking

> WARREN GRAD,  
FROM PG. 18

them. The most important lesson they learned in the last few years, they said, is how to overcome the challenges they've faced.

In Grade 9, they faced the fear of a new environment. They then met two years in isolation and only saw each other every second day. But through it all, the 34 students stuck together. The pair then read the short story, "The Road", and said it tells them and their class to enjoy the ride, and they can make it through any obstacle life throws their way.

Dorsch received the Varsity Girls Athlete of the Year award, the Governor General's Academic Medal, and the ISD General Proficiency Award, along with various scholarships, bursaries, and other awards.

The afternoon ended just as the storm outside did with a celebratory cap toss, laughter, and hugs.

# TCl grads celebrate their success

By Jennifer McFee

It's the end of one chapter and the start of a new one for Teulon Collegiate Institute's Class of 2022.

On Friday, June 24, graduates gathered to receive their diplomas in the school gym, cheered on by family, friends, school staff and other supporters.

Principal Myles Blahut welcomed the guests, while also acknowledging the 34-person graduating class faced a high school experience unlike any other.

"My words of advice to graduates is once you leave this gymnasium and head out on the new adventures in front of you, remember these three things," he said.

"Find your passion. Never give up — nobody said growing up would be easy. And whatever life path you take, always do your best."

Then the graduates partook in a rose ceremony to signify their gratitude and appreciation for those who helped them to reach this milestone. They mingled among the audience, handing out roses to parents, grandparents and others who helped them along the way.

After this sentimental gesture, the graduates walked the stage one by one to receive their diplomas. The audience heard their final words, learned about their plans for the future, and celebrated honour roll and scholarship recipients.

Teacher Rod Ledochowski named the varsity boys' basketball team as the Team of the Year for Teulon Collegiate Institute's varsity sports. The players made their way up to the stage to enjoy a round of applause for their athletic achievements.

After that, school board chair Alan Campbell offered his congratulations to the Class of 2022.

"Getting back to normal and having all of you in the gym representing families and community members who all took part in today's celebration is really important. It's important for our grads and it's important for all of us," he said.

"The accomplishments that we celebrate today are a recognition of the contributions of everyone here."

Campbell explained the Interlake School Division's prestigious general proficiency award is presented to one Grade 12 student at each of the school division's collegiate annually.

"The award goes to a student who has strong academic, sporting and extracurricular involvement with a pos-

Kaleigh Watson and Jaxen Park were valedictorians for TCI's Class of 2022.

itive citizenship outlook during their time here at TCI," he said.

Madison Charison is this year's winner of the general proficiency at Teulon Collegiate Institute. Madison was involved in varsity sports including volleyball, basketball and badminton, while also being named an MHSAA graduating all-star. In addition, she served as student leadership co-president and yearbook volunteer editor. She was also a member of multiple school groups including the social committee, Helping Hands, Youth in Philanthropy and the social justice committee. In addition, Madison maintained an academic average of 91.33 per cent in her Grade 12 year and was a positive role model throughout her years at Teulon Collegiate Institute.

"In terms of citizenship, this year's recipient has been a very positive role model through her years here at Teulon Collegiate and in the Teulon community," Campbell added.

The varsity boys' basketball team as the Team of the Year for Teulon Collegiate Institute's varsity sports.

Madison plans to attend the University of Manitoba next year, working towards her goal of becoming a nurse practitioner that specializes in pediatrics.

12 combined. Award recipient Ashley Bond earned an impressive combined average of 95.23 per cent. She has been accepted to the University of Manitoba and plans to pursue a career in law.

Wrapping up the event, valedictorians Kaleigh Watson and Jaxen Park shared some insights and inspiration with their fellow grads.

“Each of us has had our own unique experiences at TCI — a combination of good times, bad times, school spirit and, of course, times of last-minute studying for that exam,” Kaleigh said.

Jaxen expressed how they’ve been giving the tools they need to write the next chapters in the stories of their lives, which are sure to become best sellers.

“Let us all remember how our friends were always there for us to savour those crazy fun moments,” he said.

“Let us embrace the life lessons that we have learned at TCI and have prepared us for the bigger and better things we will soon explore.”

Congratulations to Teulon Collegiate Institute’s graduating class of 2022!

Twins Amanda and Daniel Guilbeault pose with their daycare teacher Freida Jorheim, who enjoyed seeing many of her former students from Teulon Daycare on their graduation day.

TCI grad Megan Loudon earned multiple awards.

It was high fives all around with Megan Davidson, Kaleigh Watson and Emma McGill, who was celebrating her 18th birthday on graduation day.

Sisters Lisa, Julie and Otilja Yankech pose for a selfie with their cousin Pam Zimmer.

TCI grad Chloe Domino, friend Paitin Cartwright and TCI grad Amanda Guilbeault.

Sisters Robyn, Megan and Sam Loudon celebrate together.

Mark Scott (an Alonsa grad who attended TCI up to Grade 11) with TCI grads Rylan Daniels-Webb and Reese MacDonald.

# StoryWalk program underway in Stonewall

By Jennifer McFee

This summer, you can take a stroll and enjoy an entertaining story in the great outdoors.

The Stonewall library is presenting the StoryWalk Program, created by Anne Ferguson of Montpelier, Vt., and developed in collaboration with the Kellogg Hubbard Library.

“StoryWalk is a wonderful way for everyone to enjoy reading and the outdoors at the same time. In our StoryWalk project, laminated pages from a children’s book are attached to coroplast board, which are then installed along an outdoor path,” explained Joan Ransom, Stonewall branch librarian.

“As you stroll down the trail, you’re directed to the next page in the story.” StoryWalks have been installed over 13 countries, including Germany, U.S., England, Bermuda, Russia, Malaysia, Pakistan and South Korea, she added.

“We are so excited to be sharing this program with our community. We have long wanted to do this and were so fortunate this year to qualify for a grant from the Healthy Together Now Program of the Interlake-Eastern Regional Health Authority,” Ransom said.

“We had great support from the Town of Stonewall, and Brett Chatfield was so helpful with advice on planning our routes and securing the stakes for our coroplast boards. The Association of Community Living Interlake is also a project partner, and Tracy Fidler was a terrific resource on how we could make the StoryWalk more accessible for all.”

A group effort went into implementing the project, which launches this week with the first story.

“We have recorded the stories and have created QR codes that are linked to each page in case anyone wants to use their mobile device to listen to the story along the walk. Our library clerk Stella McAuley has spent weeks preparing the books, creating the QR codes and getting this project ready to go,” Ransom said.

“To comply with copyright law, we must use the original pages of the book, so we purchased several

TRIBUNE PHOTOS SUBMITTED

The South Interlake Regional Library Stonewall branch has set up the first of four StoryWalks in Stonewall. A StoryWalk® is a fun, educational activity that places a children’s story (literally a book taken apart) along a popular walking route in your community. It helps build children’s interest in reading while encouraging people to get healthy outdoors.

copies of each title, took the book spine off and laminated two pages per board.”

Throughout the summer, a new path and story will be featured every two weeks.

“We are featuring four routes and four stories over the summer,” Ransom said.

“We tried to choose titles that included themes of refugees, Indigenous culture, French language and inclusivity.”

Route 1 will be on the path between Oak Bay and Gray Street (heading toward Archie Gray Park) from July 3 to 16 featuring the story *Our World is a Family* by Miry Whitehill and Jennifer Jackson.

Route 2 will be along the sidewalk on Fifth Avenue South on the southside of the Veterans Memorial Sports Complex soccer fields from July 17 to 30 featuring the story *Sometimes I Feel Like a Fox* by Danielle Daniel.

Route 3 will be on the path between Procure Drive and Stoneridge Drive from July 31 to Aug. 13. The featured story those weeks will be a bilingual story in English and French called *Cousins Forever/Cousines Pour Toujours* by Elisavet Arkolaki and Charikleia Arkolaki.

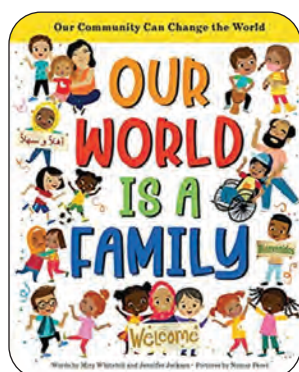

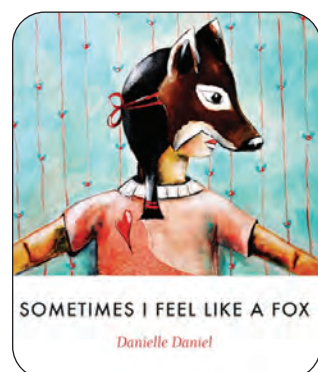

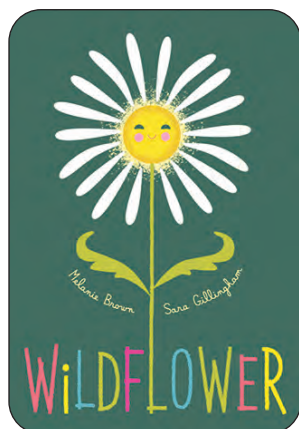

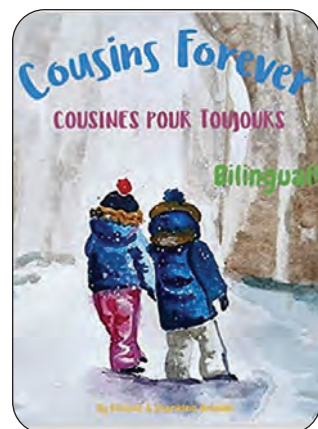

The fourth and final route will be along the path on Fifth Street W. in front of Stonewall Collegiate Institute featuring the story *Wildflower* by

Melanie Brown.

If any pages go missing or if any boards fall down, community members can call the library at 204-467-8415 to let the library staff know.

“At the end of each story, there will be a small notebook that we hope people will sign and let us know that they read the story. We encourage people to leave comments and let us know what they think of the project and any ideas they have on how we can make it better,” Ransom said.

“We hope readers get outside and enjoy some stories out in the sunshine. And remember — the minutes that readers spend reading the StoryWalk stories count toward our summer reading program, Mermaid Tales. So be sure to log those minutes on your reading log!”

## Rams announce athletic award winners

By Brian Bowman

The Stonewall Collegiate Rams celebrated another great season with their athletic awards banquet last week.

Justis Hellegards was named the Rams' male varsity athlete of the year while Grace Fines was selected as Stonewall Collegiate's female varsity athlete of the year.

The junior varsity athletes of the year were Ashley Hudon (female) and Spencer Schaeffer (male).

Awards were also handed out to individuals by each team. They are as follows:

Baseball - Rylan Slatcher (MVP), Justis Hellegards (coaches award)

Varsity badminton - Carter Boughton (coaches award), Hayden Turner

(coaches award)

Junior varsity badminton - Annika Hildebrand (most outstanding team), Shannon Bodnarus (most outstanding team)

Junior varsity male volleyball - Andrew Harold (coaches award), Tyler Persoage (coaches award)

Varsity male volleyball - Liam Pauls (MVP)

Junior varsity female volleyball - Ashley Hudon (MVP), Ruby Harris-ko (coaches award)

Varsity female volleyball - Rena Kathler (MVP), Maya Olson (most dedicated)

Junior varsity female basketball - Precious Paguio (MVP), Ashley Hudon (MVP)

Junior varsity male basketball - Austin Unger (MVP), Ty King (coaches award)

Varsity male basketball - Ethan Chesworth (coaches award), Alex Luke (coaches award)

Varsity female basketball - Grace Fines (MVP), Nicole Paguio (coaches award)

Hockey - Brody Stovin (MVP), Dray Sobkow (coaches award)

Junior Varsity cross country - Shannon Bodnarus (top junior varsity girl), Blake Farthing (top junior varsity boy)

Varsity cross country - Gillian Gesell (top varsity girl)

Fastball - Emma McAuley (coaches award), Kalin McGuirk (coaches award)

Varsity female track - Grace Fines (MVP)

Varsity male track - Gage O'Neill (MVP)

Junior varsity female track - Page Paguio (coaches award)

Junior varsity male track - Luke Bul-livant (coaches award)

Female rugby - Lexi Anderson-Schmidt (MVP), Rena Kathler (coaches award)

Murray Couch Ram Award - Page Paguio.

## Powroznik to compete at North American Indigenous Games in fastpitch

By Brian Bowman

Paige Powroznik has never been to Halifax.

But she will get an opportunity next year after she was named to Manitoba's U16 fastpitch team that will compete at the North American Indigenous Games.

"I think it will be really cool to go with a bunch of new people and make friends," said Powroznik, who lives in Teulon, last week. "I'm really excited but kind of nervous at the same time."

She admitted that she wasn't expecting to make the provincial team. The one-day tryout was held at the University of Winnipeg in May.

"I am really excited to be representing Team Manitoba at the Halifax Games in 2023," she said. "This was kind of a surprise to me because there were lots of 2007s there more so than 2008s and there were a lot of stronger girls there."

Powroznik, a shortstop, is just 13 years old so she beat out a lot of older girls to make Team Manitoba. She hopes to stay at that position in Halifax but she is open to play wherever the team needs her.

She is the only player on Team Manitoba from the Interlake.

This summer, Powroznik plays for the U15 Interlake Phillies. The Phillies finished in second place at a tournament in Regina earlier this year and

TRIBUNE PHOTO SUBMITTED

have had a lot of close games during league play.

Powroznik sees her Phillies' team getting better and better on a weekly basis.

### REFEREE IN CHIEF WANTED

**Stonewall Minor Hockey is seeking applications for the position of Referee in Chief**

The duties of the position are as follows:

The Referee-in-Chief shall:

- Co-ordinate local referee clinics
- Facilitate referee support and development through mentoring, mini-clinics, coaching or evaluations.
- Where SMHRA is mandated to provide one or more such officials, either directly through the Referee-in-Chief or through those persons delegated this responsibility by the Referee-in-Chief
- Ensure that the appropriate fees, including mileage where applicable, are paid to the officials
- Handle all issues arising with respect to officiating and report on the outcome of such matters to the Board.

A stipend of \$4800 shall be paid to the Referee in Chief for the 2022/2023 hockey season.

Please send your application in writing to: [info@smhra.ca](mailto:info@smhra.ca) (Closing Date: July 11th)

# U17 Phillies split doubleheader with Lightning

**Staff**

The Interlake Phillies U17 fastpitch team split a doubleheader with the Winnipeg Lightning last Wednesday at the John Blumberg Softball Complex.

Winnipeg won 15-1 but then lost 9-6.

Interlake, now 3-10, will host the Westman Magic in a doubleheader on Saturday (3 p.m. and 5 p.m.) and Central Energy in a twinbill Sunday (noon and 2 p.m.) in Stony Mountain.

The U15 Phillies, meanwhile, were swept by the Winnipeg Lightning on June 28. The Lightning won 3-0 and 6-4.

Interlake played the Manitoba Thunder this past Tuesday but no score was available.

The Lightning will host the Manitoba Angels on Thursday (6:30 p.m.) at Quarry Park.

Interlake will then host Central En-

ergy on Saturday and the Smitty's Terminators Sunday at Stony Mountain. Both doubleheaders begin at noon.

In U13 action, the Phillies lost a road doubleheader to the Eastman Wildcats, dropping games by scores of 16-0 and 17-8, on June 28.

Interlake, now 9-8, will be very busy this week with six games in five days.

The Phillies will play the Winnipeg Lightning on Wednesday (6:30 p.m.) at the John Blumberg Softball Complex and then host the Manitoba Angels on Thursday (6:30 p.m.) at Quarry Park.

Interlake will then have doubleheaders against the Smitty's Terminators on Saturday (10 a.m. and 2 p.m.) in Stony Mountain and versus Central Energy Sunday (noon and 2 p.m.) at Republic of Manitobah Park in Portage la Prairie.

## Ollson wins scholarship

**TRIBUNE PHOTO SUBMITTED**

Balmoral's Braxton Ollson was awarded the R.A. 'Sam' Fabro Scholarship through Hockey Manitoba last week. Ollson played hockey this past season for the Stonewall Blues U18 team. She will be attending the University of Manitoba this fall where she will be studying Environmental Sciences.

## 2022 Women's Invitational Tournament needs volunteers

**By Baseball Manitoba**

The 2022 Women's Invitational Tournament is happening on July 21-24 in Stonewall.

All of us at Baseball Manitoba and the Girls' Baseball Committee are proud to be hosting this event at Fines Field Baseball Facility. Plans are underway to ensure the championship will be an exceptional experience for players, coaches, officials, and fans, but events like this don't happen

without the help of volunteers.

Areas where volunteers are needed include front gate personnel, pitch counters, second eyes field of play, paper scoring, field of play maintenance, and more.

If you are interested in volunteering for this event please fill out the form linked on the Baseball Manitoba website (baseballmanitoba.ca) and email it to Gail Langlais at glanglais@mymts.net.

## U18 Orioles drop doubleheader to Pembina Hills

**Staff**

The Interlake Orioles lost a doubleheader to Pembina Hills in U18 AAA action at Atree Field on Canada Day.

Interlake was defeated by scores of 15-3 and 16-12.

Interlake, now 4-12, hosted the North Winnipeg Pirates on Tuesday but no score was available.

The U15 AAA Orioles, meanwhile, were swept by the St. James A's in a doubleheader last Wednesday. St. James won 9-5 and 13-2.

Interlake will host the Bonivital Black Sox on Wednesday (6:30 p.m.) at Atree Field and then visit the Red River Valley Pioneers on Friday (6:30 p.m.) at the Henri Constant Field.

## United on the ball once again

TRIBUNE PHOTO BY JO-ANNE PROCTER

The Stonewall United's Rayden Labelle, right, moves the ball up the field against SCM Academy during MMSL 5th Division action last Thursday. The United won the game 4-1.

**Staff**

The Stonewall United defeated SCM Academy 4-1 in Manitoba Major Soccer League 5th Division action last Thursday evening in Stonewall.

Stonewall goals were scored by Kevin Penner, Kevin Capek, Chris Thompson, and Christopher Dobson.

Shafie Hassan replied for SCM Academy.

The United, now 4-0-1, will host Southside FC this Thursday at 7:30 p.m.

In Winnipeg Women's Soccer League 3rd Division action, the Stonewall Royals were doubled 4-2 by Gateway Celtic on June 28.

Stonewall, 1-3-3, will battle the Tri-S Strikers on July 11 at the Ralph Cantafio Sports Complex. Game time is 10 p.m.

Stonewall Elk Ranch Ltd., 204-467-8884 or e-mail [stonewall@myrnts.net](mailto:stonewall@myrnts.net)

## THE RURAL MUNICIPALITY OF ROCKWOOD PUBLIC NOTICE

Municipal elections will be held on October 26, 2022. If you are interested in running for the Rural Municipality of Rockwood Council or would like more information on what is involved in being the Reeve or a Councilor before making a decision, the Rural Municipality of Rockwood will be hosting an information session on July 20, 2022. The session will be held in the Balmoral Community Hall located at 6003 E Road PR 236 (Road 85N) starting at 7:00 p.m.

The session is expected to last 1.5 to 2 hours and will provide information on many topics including:

- Terminology (Act, By-law, Resolution, etc.)
- Information about the Rural Municipality of Rockwood and how it operates
- Overview of applicable Province of Manitoba legislation
- Roles of Reeve, Council, CAO/Administration
- How Council gives Administration direction
- Committees, meetings and time commitments
- Compensation
- Election financing rules
- Questions?

The presentation will be given by Mr. Ernie Epp of Way To Go Consulting Inc. Mr. Epp has over 35 years experience in local government, and for the past 10 years has been providing a wide variety of consulting services to many municipalities in Manitoba.

Walk-ins are welcome but for planning purposes it would be appreciated if those interested in attending would pre-register by contacting the Rural Municipality of Rockwood Administration Office at 204-467-2272 or by email at [roberta.vancaeyzeele@rockwood.ca](mailto:roberta.vancaeyzeele@rockwood.ca)

## Interlake Housing Co-op (Teulon) Ltd. Is currently accepting resumes for the position of Office Manager for Farview Place

**Fun By The Numbers**

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

**Here's How It Works:**

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**RURAL MUNICIPALITY OF ARMSTRONG**

**NOTICE OF TENDER**  
**SALE OF FARM LAND**

Offers must be submitted to the RM of Armstrong in person at the RM Office located at Lot 55 Highway 17 in Inwood or by registered mail to Box 69, Inwood Manitoba R0C 1P0 by no later than 4:00 p.m. on Thursday, July 28th, 2022 for the following properties:

LEGAL DESCRIPTION	ROLL NO.	ACRES	2022 ASSESSMENT
SW-17-20-02-E	117000	160.00	41,600
NE-31-20-03-E, East ½	134200	80.00	32,000
SE-32-21-02-E	165600	160.00	41,600
NW-18-21-01-W	309300	159.00	36,100
Pt. SE-18-21-01-W	309400	158.46	37,800
Pt. SW-18-21-01-W	309500	157.28	34,600
SW-20-21-01-W	310600	161.00	56,400

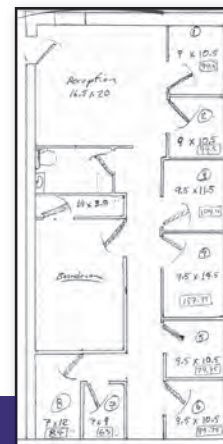

- There is a Minimum Bid set at the 2022 assessment value for each individual property.
- Tenders must be submitted in a sealed envelope marked "Farm Land Tender", must indicate which property the tender is for and must state cash purchase price meeting minimum bid requirements.
- To be considered all offers must be unconditional and include a deposit in the form of certified cheque or bank draft payable to the "RM of Armstrong" of not less than 10% of the tendered amount (which will be returned if the offer is not accepted).
- All of the lands are sold "as is where is".
- The highest or any offer may not necessarily be accepted.
- The successful offeror will be notified upon acceptance within two working days after July 28th. Unsuccessful offerors will not be notified.
- The successful offeror will have 45 days from date of acceptance to provide the balance of cash to complete the purchase. The deposit will be forfeited if the successful bidder does not finalize the agreement for sale within the require time.
- All legal costs, title transfer fees and applicable taxes are the responsibility of the purchaser and are in addition to the bid price.
- Any enquiries may be directed to the RM of Armstrong Office at 204-278-3377 or via email to the [cao@rmfarmstrong.com](mailto:cao@rmfarmstrong.com)

## OBITUARY

**Brenda Jean Peters**  
1953-2022

Peacefully on June 29, 2022 Brenda Peters passed away at the age of 69. Brenda was born in Winnipeg, MB on February 9, 1953 to the late Donald and Ioleen McPherson. She will be lovingly missed by her daughters Jo-Anne (Lyle), Donna (Rob), son Darryl (Erin), her precious grandbabies Dylan, Gavin, Blake, Greysen, Elliott, Addisyn, Nolan and niece Pam (Duane). Mom will also be sadly missed by her close group of neighbours, longtime friend Rita Morton, and extended family and friends in the community. Mom was predeceased by her parents and our dad, David Peters. Mom grew up in Winnipeg with her three siblings in the Brooklands neighbourhood. She was an avid basketball player even at 5 foot 1 inches tall. Mom moved to Gretna where she met our dad and started our family. She loved being a stay at home

mom to us three kids and made sure we had the best childhood spent camping in St. Malo, going to dad's baseball tournaments and spending a lot of time with our huge extended family.

We moved from Gretna to Melita in 1987 and six years later moved to Stonewall in 1993. Mom started working as an interpreter at Quarry Park then continued her career with Canada Post for over 30 years. Mom was so well liked and known for working at the post office and everywhere she went, someone knew her and stopped to say hello. After retiring in November 2020, when she would run into people from Stonewall, they demanded she come out of retirement and go back to work.

She loved to travel and enjoyed her trips to Wisconsin Dells, Niagara Falls, the Cayman Islands, numerous trips to Puerto Vallarta and visiting the cottage in Lester Beach. Mom/Grandma loved watching us kids and her grandkids at their various sporting activities and even a trip to Regina for a hockey weekend. Mom was always game to tag along for a planned or last minute shopping trip with us kids or with Rita. She loved watching a good Manitoba lightning display, baking, doing puzzles, watching movies and true crime tv shows, having coffee and visits with her neighbours. Mom ramped up her baking right after she retired and filled our freezers with goodies to last for months. We loved all the things that came from Brenda's Bakery.

Mom was always there to listen and laugh with us. She was witty, kind, gentle, funny, loving and generous, and this was all felt by those close to her.

We love you and are going to miss you so much Mom!

Mom, you held us close when times were tough

Been by our sides, when life got rough

Forever constant, always there

Sometimes firm, but always fair

You are our rock, our inspiration

Gave our life it's strong foundation

Ever loving, patient, kind

And listen with an open mind

You mean the world for all you do

We love you mom, for being you

A celebration of life will take place on Thursday, July 14, 2022 from 2:00-4:00pm at the Stonewall Quarry Park Interpretive Centre (166 Main Street).

In lieu of flowers, or donations, we ask that you take a moment to hug your parents, child, grandchildren, grandparents, friend, or walk in the park for a moment, an hour or a day. Time waits for no one.

204-886-0404

## OBITUARY

**Kenneth John Stewart**

Kenneth John Stewart was born in Lilyfield on Feb. 28th, 1934. Ken is survived by his wife, Marilyn of 57 years, daughters Judy (Dom), Kim (Bob) and grandchildren Jennifer (Evan), Chris, Brandon, and Kaleigh.

Sisters-in-law Joyce, Kitty, Mary, Darlene Stewart, and Donna Barr.

Predeceased by his parents Walter and Ethel Stewart. His brothers, Alex, Glenn, Murray (Ruby), Keith, Lloyd and his sisters Doreen (Bob), and Beryl (Sam). His in-laws Al and Sharon Munro, Gord Barr.

Ken drove a milk truck for Rockwood Victoria Co-op for over 40 years. Ken was a life long lover of cars, curling, and the Toronto Blue Jays. He was well known for his grandpa/Uncle Kenny jokes. He loved visiting with his family, his numerous nieces and nephews kept him entertained.

Private family service pending.

204-886-0404

## OBITUARY

**Gladys Haldane-Wilson**

On the morning of June 24, 2022 our dear Mother Gladys was reunited with our Father Alan. She will be dearly missed by everyone who knew her.

Mom was born in Winnipeg in 1933 and was one of 16 children. Mom always said how chaotic those younger years were. She worked and resided in Winnipeg until our Father passed away in 2004 when she joined my brother in Kelowna. She spent 5 years there then moved to Woodlands where she enjoyed 13 years here with us. Our friends and the kids friends all called her "gramma" and she loved when anyone stopped in for a visit.

Our Mother missed our Father every single day and in her heart knew they would be reunited again some day. She passed away on the same day that he did 18 years later. True love does exist.

She will be laid to rest beside her soulmate in Souris at a private

family ceremony.

In her first years with us she enjoyed going to Bingo at the hall and the day program at Oak Park Lodge, where she was quick to make friends with the residents. Visits from her grandchildren and great-grandchildren were always a highlight.

Mom was always known for her knitting, crocheting and sewing. We all have something special that she had made over the years. She had a love for game shows and crossword puzzles and that woman knew everything. Her technical skills on her iPad left a lot to be desired and she was always calling for help. But she was always able to use FaceTime and Facebook to keep in touch with her family.

When Mom's health started to fail we opened our doors to the Family managed Home Care Program. With this came wonderful new friendships for Mom in the girls that worked here with us. These girls were Mom's lifeline. Margaret, Ella, and Marge, and everyone else who has worked with Mom over the years, without these ladies life in the bush would have been so boring! A huge Thank you to our friend Heather for her love and support and car rides and Timmy's deliveries. You all brought so much joy and laughter into our lives and we will all be forever grateful for your love and support. You were all daughters from another Mother to her.

We would like to thank Sherri Buors for your unwavering support for Mom to be able to remain at home with us. To Dr. Zahiri who Mom called her own "Russell Peters" thank you for your care and compassion. Thanks to Dr. Graham and Christine from Palliative Care for making things possible in her last days and for helping us navigate through it all.

I can't say enough to Thank both Lori and Megan, our Home Care nurses who were a huge support for me and Mom in her final days. All of you ladies were her angels and our lifeline.

Predeceased by her parents Bridget and Willis Eastveld and her siblings Bill, John, Sidney, Pat, Jim, Robert, Bridget, Ethel, Margaret, Beatrice, Agnes, Rosemary, Daniel, Mark, Patty and Paul. Left to mourn are her children Terry and Charlie Milazzo (Andrea and daughter Ashley), Chuck and Kim Haldane-Wilson Susan and Allen Fehr Geoff and Katie and Nigel, and Tammy and Joe Hueging (Kevin and Jamie Norberg (Sadie Emmett Ingrid and Axel) Tara and Kurt Blach (Ava and Knox) and Meagan and Jeremy Fisher (Paisley and Remi).

Mom also left behind the family dogs, Ellie, Rosie and Charlie who have been missing her since the day she left.

Mom, there are no good-byes, wherever you are, you will always remain in our hearts.

204-886-0404

## ANNIVERSARY

M,  
Happy 30th Anniversary  
July 11

-Love,  
D

## CARD OF THANKS

Thank you to family and friends for all the cards, flowers, phone calls, food brought to the house and the visits to the hospital and home. Thanks to the EMS team that got me safely to HSC despite the storm and to those who took me to Eriksdale. I really appreciate all the support I have received and because of it I am slowly getting better.  
- Carol Nichol

## BIRTHDAY

Happy 100th Birthday to  
Alice Weitzel  
of Teulon  
She turned 100 on July 3, 2022.  
- Love from Joseph & Jan Lambourne,  
Evan (Tessa), Trace (Brandy) &  
great-great grandsons Lycan & Conor.

## IN MEMORIAM

George Kowalchuk  
May 5, 1917 - July 8, 2003  
Your face and voice we will never forget, Though now we are worlds apart, We know you'll never be that far from us, As you live on always in our hearts.  
- Loving you, Tom & Eddie always and missing you everyday, your wife Mary, Rosalie (& Mike), Lucy (& Terry) Chris & Patty and their families.

There is a link death  
cannot sever,  
Love and remembrance  
last forever.

## IN MEMORIAM

In memory of  
Alice Bowman  
(Thievin/Procter)  
May 18, 1936 - July 5, 2018  
Mom's door was always open for a cup of coffee and a good chit chat. If any of the neighbors needed a hand Mom was always there. Mom loved and never missed a good party. She was our friend and a mother to her children, grandchildren, and Nan to her great grandchildren and to all the ones who called her Aunty Alice. We all think of you every day and miss you dearly.  
-Till we meet again,  
Love your girls  
Sharon, Cindy and Lori-Ann
